

# SCHOOL ELECTIONS SATURDAY; PRIMARY TUESDAY

## Board adopts one hour parking for 60 days

### Arlington board accepts verdict of businessmen

Official action on the parking situation in Arlington Heights was taken by the village board at its meeting Monday night, April 5.

The board voted unanimously to adopt the recommendation of the chamber of commerce for a sixty-minute parking plan in lieu of installing parking meters in the loop area and officially approved Ald. William Luehring's parking plan "with certain modifications" calling for parallel and diagonal parking on loop streets.

**HERMAN HINZ**, president of Chamber of Commerce, recommended that one hour parking be enforced at all hours on Northwest highway on the north side from Evergreen to Dunton and on Evergreen from Miner street to the Northwest highway.

"We believe that the limited parking along these streets will help relieve the parking congestion around the theater," Hinz told the board.

"The village board has pledged that it will support any parking plan the citizens prefer," Mayor Goedke said. "Since the chamber of commerce would rather try the sixty-minute parking system, we are willing to go along with them on a trial basis to see if such a system will work effectively."

**THE VILLAGE** has secured the okay of the park board to use the park north of the village for commuters, and businessmen. The leasing of a lot near town for the all-day parking is being considered by the Chamber of Commerce.

Also, under the plan recommended by the Chamber of Commerce and approved by the village board, there would be no parking around the bank.

Police Officer William Heinemann, 69, in a letter to the village board, officially tendered his resignation from the force and asked that his retirement be effective May 1, 1948. He joined the force March 15, 1928.

In his letter, he expressed his "gratitude for the many courtesies tendered me by the citizens of Arlington Heights" and said that it "had been a pleasure to serve such fine people."

With the retirement of Police Officer Heinemann the local police force comprises five officers.

**ACCORDING** to Alderman Ralph Hefie, thirteen applications for vacant positions on the police force have been received by the board. Two may be selected.

"We have a very capable crop of men to choose from," Hefie said, "and the new officers should be chosen within the next two weeks."

According to Hefie, qualifications for position of police officer include being "honest, upright—and strong."

### Cub scouts to entertain parents

Approximately 100 Cub scouts of Arlington Heights Pack 232 will demonstrate their ability as entertainers before their parents and other Cub Scouts at their monthly pack meeting Friday night, April 16, at 7:30 p. m. in the gymnasium of the South school.

The occasion, as announced by George LaRoi, pack chairman, is the Cub's first annual stunt night. Each of the 12 active Cub dens will be allotted five minutes in which to present an entertainment skit of their own choice. All of the Dens have been at work on their skits for several weeks, and some unusual sights and sounds are in store for those attending the event.

A SPECIAL invitation is being issued to parents of Cubs, and to parents of boys who would like to become Cubs.

The program will demonstrate another of the characteristic Cub activities designed to help boys along the path to better citizenship. The winning Cub den will be given a permanent, handsome trophy. A special board of judges consisting of leaders in community affairs is to be announced. In addition to the stunt program, advancement awards won by Cubs during the past month will be presented under the direction of Martin Freeman, Cubmaster of Pack 232.

### Arlington Hi is new headquarters for driving tests

Arlington Heights township high school has been selected by the state highway department as an examining center for applicants for driver licenses, according to Principal LeRoy Knoepfel.

Charles F. Lange, of the Evansville examining bureau, will be at the high school every Friday from 9:30 a. m. to 5 p. m. to give driving tests to persons in this area who have made appointments for examinations.

Approximately 25 persons took tests at the school Friday, April 16, to qualify for driver licenses.

The new examining center will serve the communities of Arlington Heights, Palatine, Barrington, Mt. Prospect and Wheeling.

### Can now renew driver licenses on birthdays

A new 1948 driver's license application form for renewing your present license when it expires is as near to you as your closest notary public, local law enforcement official, county clerk, daily or weekly newspaper, automobile club, or currency exchange, Secretary of State Edward J. Barrett said today.

The expiration date of 1945-48 drivers' licenses is the holder's first birthday after May 1, a change provided in an amendment to the Illinois Motor Vehicle License laws passed by the 64th General Assembly and approved July 17, 1945.

**IN ANNOUNCING** availability of the new forms, Secretary Barrett urged applicants (1) to make sure they use the 1948 application form and (2) not to submit their applications for renewal until thirty days prior to the expiration of their current license.

That means, he explained, that persons whose birthdays fall in the month of May (with the exception of those whose birthdays are on May first itself) should submit their applications this month. (People with birthdays on May 1 have a full year's grace on their present license until May 1, 1949.)

Drivers whose birthdays fall in the month of June should not submit their applications until the month of May, July birthdays in June, etc.

**EXTENSION** notifications have been mailed to motorists whose cards show a May 1, 1948 expiration date. The Secretary said, licenses issued after the amendment became effective were stamped with the correct expiration date at the time of issuance.

Secretary Barrett cautioned applicants to fill out the form with care, to answer every question and to have the form notarized, inasmuch as incorrect and incomplete forms have to be returned to the applicant. The renewal fee of 50 cents and the extension notification also should be submitted with applications, he said.

### Park system offers 'busy summer' program for school children

The Arlington Heights public park program, which will be inaugurated this year as soon as schools close for summer vacation, has been planned to offer all types of recreation for community children.

An article citing the advantages and recreational facilities offered at the village park can be found this week under the Fence Post department of the newspaper on page 1 of section 3.

The park system offers three baseball diamonds, a swimming pool, tennis courts and other play-time facilities to help keep community children off the streets and to prevent idle time mischief.

Last year a first attempt was made to set up a playground system. Now, with a year of experience, the park system offers additional instruction in swimming, baseball, basketball, tennis and handicraft, in addition to other activities.

### Arlington Hi open house next Thursday

Parents of Arlington Heights high school children will have the opportunity Thursday, April 15, to visit the place where their children spend one-third of each day and to become better acquainted with the school curriculum and with high school teachers.

The occasion will be an evening open house for adults at the Arlington Heights township high school April 15, with a program starting at 8:15 p. m.

The new building and grounds will be open for inspection and parents will have the opportunity to talk with instructors. The public is invited to attend.

Elmer F. Laurin, president of the school board, will give an address of welcome to visitors in the auditorium at 8:15 p. m. The band will play several musical selections under the direction of Frederick Schmoeyer, and LeRoy Knoepfel, school principal, will talk on the school program.

**AN EXPLANATION** of the high school testing program by H. L. Slickemeyer, guidance director, will follow. J. D. Bryson, director of the mixed chorus, will lead community singing.

After the program an inspection of school facilities, refreshments will be served in the cafeteria by the home economics department under the supervision of Miss Mary Handlin, cafeteria manager.

Members of the National Honor Society, under the direction of Miss Donna Marie Volz, will act as guides.

**PARENTS WILL** be given a handbook containing statistics on the curriculum, administration, new building and school services. The booklet was compiled by the philosophy committee consisting of Miss Jean Nelson, Mrs. Hazel Volkner, Miss Donna Marie Volz, R. M. Conrad, Nelson Lawry and Cyril Waters. The handbook was illustrated by Doug Schimmel and Joan Worthington.

### Extend franchise for telephone company

The Illinois Bell Telephone company has been granted an extension of its franchise for 25 years by the village board at a meeting Monday, April 5.

William Lathen, manager of the local unit of the telephone company, presented the new franchise.

The old franchise for telephone service expired March 19, 1948. The new one will be effective until 1973.

### Tells story of '3 weeks on a raft' at Arlington high school next week

### Garden Club invites public to attend meeting April 14

Harold O. Klopp, well known landscape architect, will speak on "Landscape Design in the Suburban Garden," at the April 14 meeting of the Arlington Heights Garden Club. The meeting will be held at the North school at 10:00 p. m.

The general public is urged to attend this meeting. They do not have to be a member of the Garden club to do so. Following Mr. Klopp's talk there will be an open discussion and a question and answer period, after which refreshments will be served.

### Seek annexation to Arlington

Formal application for annexation to the village of Arlington Heights was made Monday night by six owners of lots in Scarsdale Estates, which face State road. The owners will be required to pay \$315 an acre as annexation fee.

The board gave its approval that evening to other annexation plats which had been previously approved.

### Palatine man uses shot gun to scare friend of daughter

The case against Clarence Hummels, 55, Quintens road, Palatine, who was charged with assault with a deadly weapon in a complaint signed by John Davis, 24, Palatine, was continued Wednesday afternoon to April 21.

A "last warning" that "I want you to stay away from my daughter," caused the arrest early Sunday of Clarence Hummels, 55, Quintens road, Palatine, for assault with a deadly weapon.

He fired a shotgun at the car of John Davis, 24, of Palatine, who had been visiting his 18-year-old daughter, Joan.

**HUMMELS**, police were told, appeared in his night shirt at 2 a. m. with a shotgun, after he had learned that Davis was with his daughter despite a warning to stay away from her.

"I thought I told you to stay away from my daughter," he said as the couple stepped out of Davis' car. As the startled savior hurried to leave the scene, Hummels let go a shotgun blast that rattled the radiator of the car.

**DAVIS**, who lives on County-Line road near Palatine, went to Morton Grove sheriff's police, who later arrested Hummel on the assault charge.

He was released on \$80 bond. Davis said Hummel's dislike for him stemmed from the fact that his brother, Howard, is married to another of Hummel's daughters, Helen, and Hummel never has liked Howard.

Davis, a machinist for the Benjamin Electric company near Des Plaines, said he drives Joan home each evening from her job as office worker at Freund Brothers, Inc.

### New business block on the highway

Eddie Jensen, proprietor of Eddie's Wines and Liquors, now at Campbell and Evergreen, will erect a new building on the Northwest highway adjoining the Reese hardware store. Arlington Heights village board has authorized the transfer of his liquor license from the present location to the new building and a building permit has been issued.

The new structure, 58x95, will allow for two stores with living quarters in the rear. Immediate plans call for a tavern and a cocktail lounge in the east store and a package store in the other.

Limestone and glass bricks will be used in the front of the structure. Walter W. DeCherrie Associates are the architects. Construction is expected to start within the next sixty days. Jensen's present lease runs until May 1949.

"We Thought We Heard the Angels Sing." Lt. James C. Whittaker's story of his adventures on a life raft, will be presented at the Arlington Heights township high school auditorium Friday, April 16, at 8 p. m.

Lt. Whittaker, who was marooned in the Pacific with Capt. Eddie Rickenbacker and his crew wrote the account of their experiences in a series of articles appearing in the Chicago Tribune. He also is the author of a book bearing the same title as the subject of his speech.

Freshmen students at Arlington Heights township high school are selling tickets for this program and proceeds will be used for the student activity fund.

Students on the ticket committee are Ronald Prellberg, Carl Beigel, Nancy Gallagher, Martha Collins, John Coleman and Ward Knockemus. Ticket prices are \$1 for adults and 50 cents for students, and tickets also may be purchased at the door.

To promote sales, prizes will be given to the boy and girl who sell the most tickets. A box of chocolates will be awarded the winner with the best sales record.

Lt. Whittaker spoke before the high school student body last year and received a tremendous welcome. Everyone is welcome to hear this story of a band of men who lived with hunger, death and sharks for three weeks while adrift in the Pacific.

### School district tax referendum at April 10 elections

At the Arlington Heights school district No. 25 election to be held Saturday, April 10, at 7 p. m., voters will be asked to authorize new maximum figures for education and building tax rates.

This election will be held in conjunction with the regular election for members of the board of education. Polling place for both elections will be the village hall.

It is proposed that a maximum educational tax rate of .90 per cent and a maximum building and bond rate of .25 per cent be authorized.

Board of education members point out that many school districts were forced to hold such referendums after the passage of the Butler bills in 1945. That legislation, plus further changes in the tax laws in 1947, make it advisable for school district No. 25 to establish a maximum rate which is applicable to the new 100 per cent valuation.

Without the referendum, the local district's maximum levy until 1952 would be frozen at the maximum amount which could have been levied in 1943. In view of the growth of the community and prospects of further growth in school population, this levy does not promise to be adequate.

The ballot and notice of election sets forth, as required by law, the change in rate in both educational and building funds and the approximate amounts which the present and proposed rates would raise.

### Rev. Vondracek to visit Poland, Czechoslovakia; will leave in June

Rev. Milo Vondracek, pastor of the Arlington Heights Methodist church, has been invited to be Senior Counselor of the Poland and Czechoslovakia Caravan group, which is under the auspices of the Board of Education of the Methodist churches.

Rev. Vondracek will sail in June for the Poland-Czechoslovakia area, which is one of three sections in Europe being covered by Caravan groups this summer. The Caravan group will spend two months working in church camps and helping to reestablish Methodist churches in the Poland-Czechoslovakia war devastated countries.

Caravan groups will also go to Switzerland and Belgium, and Norway and Sweden.

### Scarsdale dinner-dance at Rolling Green Sat.

Residents of Scarsdale and their guests will enjoy the first party of the year Saturday evening, April 10. The Scarsdale Property Owners' association has completed arrangements for its Spring dinner-dance, to be held then at the Rolling Green Country club, at 6:30 p. m.

The entertainment committee has announced that prime ribs of beef will feature the menu, with music for dancing, and entertainment, including "barber shop harmony" by that popular aggregation, "The Midnite Sons".

The party will be strictly informal.

### Lions learn about inheritance and state taxes

At the Tuesday evening Lions club meeting the Arlington Hts. Lions had the pleasure of hearing John Morrell discuss the subject of inheritance and state taxes.

Mr. Morrell, associated with the Equitable Life Insurance company, lives in Elmhurst. His talk was full of valuable suggestions concerning the safe-guarding of estates, which gave the Lions a clearer picture concerning taxes imposed by the government.

### County poll list gains 13% over 1946

Registration of voters in suburban Cook county has increased 13.24 per cent since the 1946 primary election, election officials announced this week.

In the 30 townships outside Chicago, 471,932 persons are eligible to vote, compared with 416,765 two years ago and 413,256 in the 1944 primary.

Palatine township added 639 voters since 1946 for a total of 3,567 voters and Wheeling township went from 6,154 voters in 1944 to 7,164 in 1948 for a total increase of 1,010 registered voters.

Registration of voters decreased only in Schaumburg township, which had a drop of 3.39 per cent.

Elk Grove township increased from 2,141 registered voters in 1944 to 2,162 in 1946 and 2,473 in 1948.

Hanover township gained 234 voters in 1948 after a loss of 167 voters from 1944 to 1946.

Leyden township had an increase of 4,321 registered voters during the six-year period, while Northfield added 1,309 voters.

### Arlington to have roller skating rink

The growing community of Arlington Heights soon will have a roller skating rink that will offer additional entertainment to its more than 8,000 citizens.

Owner of the new project is Herman J. Phillips, Rohlfing road, Palatine township, who says that "all the paper work has been done and the contractor is ready to start on the building next week."

**"LUMBER AND** steel for the building has been bought," he added, "and will be brought to the grounds when the contractor gives the go-ahead sign."

The roller rink building, situated on Northwest highway and Salem ave. will be one-story, 80 by 154 feet. It will be constructed of haydite block, and a parking lot adjoining the building will be graded. Ground breaking for the foundation has been completed.

The rink should be ready for its first customers within three months, according to Mr. Phillips.

**ERECTION** of the project was brought before the village board Monday evening, April 5, when Phillips asked if present zoning would permit the operation of the rink. Attorney Thel replied that there is no clause in the existing zoning ordinance to prevent it.

Mayor Goedke directed that Phillips make application to Building Commissioner Paul Taege for a change in the zoning permit, as he now plans to include living quarters in the rear of the building.

"Under the present building code, Phillips does not have to apply to the village board for a change in the type of business he wants to erect," the mayor said. "The change in the permit can be secured from the building commissioner."

**THE LAND** on which the roller skating rink is being built was zoned for commercial property in 1928. The present village building code does not distinguish between stores or amusement centers under the commercial zoning classification.

Construction has started on a large bowling alley building at Northwest highway and Rohlfing road, Palatine. Efforts of adjoining property owners to prevent the alley from opening are still being continued, although existing Palatine zoning laws permit the operation of an alley at that location.

A bake sale, sponsored by the Martha Circle of St. John Ev. and Ref. church, Arlington Heights, will be held April 17, at the Public Service store corner of Campbell and Vail. The sale will start at 2:00 p. m.

gestions concerning the safe-guarding of estates, which gave the Lions a clearer picture concerning taxes imposed by the government.

The next meeting, to be held April 20, should be of interest to all Lions. An open discussion will be held as to how the club may be improved. All members are asked to bring or mail in their suggestions.

## Little excitement in spring elections

### Schools —

#### HIGH SCHOOL DIST. NO. 214

Elections will be held this Saturday, April 10, in two Arlington Heights school districts to determine new school board officials.

In School District No. 214, or Arlington Heights township high school, Elmer F. Laurin is seeking re-election as president of the school board and Walter Kroeber and Martin F. Maher are running for re-election as board members. The three men are unopposed on the ballot.

Polling places for the Saturday election have been divided into four precincts and residents may vote from noon to 7 p. m.

Precinct 1 includes residents of Arlington Heights proper, who will vote at the village hall.

Precinct 2 includes residents of Mt. Prospect, who may vote at the public school in Mt. Prospect.

Precinct 3 includes residents of Prospect Heights, who may vote at public school district 23 in Prospect Heights.

Precinct 4 includes residents of Wheeling, who may vote at public school in Wheeling.

#### DISTRICT NO. 25

In the election for school board members for District No. 25, or the Arlington Heights South and North elementary schools, Nicholas M. Latoff is running for re-election as president of the board.

W. L. Fellingham and V. L. Bedingfield are running for board members, the former for re-election. All three are unopposed on the slate.

The entire school district constitutes one precinct, and the polling place is the village hall at Arlington Heights. The polls will be open from noon to 7 p. m. Saturday, April 10.

### Small attendance at town meetings

Annual town meetings held Tuesday only drew small crowds. The one exception was Schaumburg, where a delegation from Roselle Highlands were present, asking for improved roads.

Elk Grove town meeting, with seven in attendance, was held at the old town hall, at the intersection of Arlington Heights and Higgins roads. Herman Beer acted as moderator. Aside from approval of minutes and annual reports the only other action was approval of a township budget of \$3,200.

**THE ANNUAL** reports of Supervisor Wille showed balances of \$575 in road and bridge fund; \$1,500 in town fund and \$8,500 in relief fund.

**WHEELING** township town meeting drew four persons until an appeal was made for some passersby to drop in to make it a quorum. Forrest Davis acted as moderator. The reports of Supervisor Klehm, as audited by E. F. Laurin, were approved and also a budget which included \$11,000 for town purposes and \$7,600 for relief. It now costs the township \$3,600 a year for those cared for at Oak Forest.

**SCHAUMBURG** township, which boasts of the smallest town tax in Cook county, passed a budget of \$2,500 for township purposes. There are no persons on relief and no budget is required for that purpose. There has been no relief levy for five years.

Residents of Roselle Highlands made a strong appeal for road improvement, claiming that they had purchased their homes without a full knowledge of road conditions, but now that they are part of Schaumburg they needed proper roads. The town board had previously refused to accept existing roads unless they were first put in proper condition for regular maintenance. A public hearing will be held between the town board and property owners next week.

### Arlington police to be hosts to North Shore Police Association

Three hundred police officers are expected to invade Arlington Heights April 20 when the Arlington police department will be host to the north shore division of the Illinois Police association. Chief Swain of the FBI will be the speaker.

### Primary —

The primary election at which the Republican and Democratic parties will select their nominees for state and county offices, preparatory to the big election next November takes place next Tuesday. It will be a quiet primary in Illinois as neither party has any real contests.

Neither Democrats nor Republican voters will have the opportunity to express their presidential preference as none of the names of the leading presidential candidates appear on the ballots.

**IN THE 13TH** congressional district, comprising northern Cook county townships and Lake county, the chief interest in the Republican primary centers around the race for the nomination for congressman. Four candidates are in the running, headed by Ralph E. Church, veteran congressman from the old 10th district. He has the support of the regular Republican organization on which he bases his claim that he will be nominated.

John Nuveen, Jr., H. L. Whitehouse and Stephen A. Day are the other candidates opposing Church and have put on an active campaign.

Nuveen has strong local committees in many of the towns, who are making every effort to "crack" the organization slate.

**VOTERS ARE** largely in the dark when they consider the candidates for the national Republican convention. William N. Erickson and Robert E. Wood have the backing of the organization. One of the other three candidates is James H. Douglas, Jr. None of these state their preference for the presidential nomination. If elected they will be in a position to support almost any candidate for president.

**STATE REPRESENTATIVE** candidates include Bernice T. Van der Vries, veteran legislator, Vernon W. Reich, the two of whom are organization candidates. Running independent are Harold W. Wynkoop and Joseph M. Cook.

Whether or not these few contests will bring out the votes is not known. Gov. Green has asked that Republicans go to the primaries and by their votes display the Republican strength that will really go to the polls in November.

**DEMOCRATS** may ring the curtain down on Representative McGrath who has been the third member of the legislature from the 7th district for many years. Leivelt of Maywood, a young man, has the support of the Democratic country towns.

Otherwise, there are no democratic contests. Voting precincts in Wheeling township are:

- 1-Village of Wheeling
- 2-Vote at Wheeling village hall.
- 3-North of Arlington Heights to county line, east to Buffalo Grove road.
- 4-Vote at Rand road service station.
- 5-Arlington Heights
- 6-West of Highland, north of tracks
- 7-Vote at Pool's garage
- 8-Arlington Heights
- 9-South of tracks, west of Chestnut
- 10-Vote at 303 West Campbell
- 11-Arlington Heights
- 12-South of tracks, between Chestnut and Dunton
- 13-Vote at village hall
- 14-Arlington Heights
- 15-Vote at east of Dunton, except Scarsdale
- 16-Vote at Winkelmann's station
- 17-Arlington Heights
- 18-North of tracks between Highland and Evergreen
- 19-Vote at Presbyterian church
- 20-Highland Heights
- 21-North of tracks between Evergreen and Belmont
- 22-Vote at St. Mary's Rugs
- 23-Arlington Heights
- 24-East of Belmont to village limits
- 25-Vote at St. Mary's Rugs
- 26-North of tracks, west of Belmont
- 27-Vote at Hook's greenhouse
- 28-Forest River south of Camp McDonald Road, east of Rand road.
- 29-Vote at St. Mary's gymnasium
- 30-Outside village of Wheeling
- 31-East of a line near Buffalo Grove road.
- 32-Vote at Allison service station
- 33-Vote at Prospect Heights
- 34-Vote at Foote's hardware store
- 35-Scarsdale and Scarsdale Estates
- 36-Vote at Sinclair service station

### 'Over the top' for Red Cross drive

# Laura Lunde asks for intelligent primary vote

Woman's Club members and their husbands were guests of the board at the annual men's night program at the field house on Tuesday, March 30. Mrs. Ralph Clabaugh, chairman, was assisted by Mrs. Louis J. Kessler, Mrs. Edgar G. Blair and Mrs. Ira Parker. The club president, Mrs. Carl H. Ewert, welcomed the guests and introduced members of the board. Dick Everett provided piano music as the audience assembled, and they played a classical selection and a popular medley to open the program. Mrs. George Tuttle then introduced a quartet, Messrs. Erle Ellis, Ira Parker, Charles Heiss and Joseph Zikmund, who sang several numbers.

Mrs. Laura Hughes Lunde, vice president of the Woman's City club of Chicago, and long identified with the effort to bring better government to the State of Illinois, was the speaker of the evening. She traced the principles of our democracy from the establishment of our constitution, which gave to each American a tiny piece of power by providing for a congress to represent all the people. She declared there is one simple fundamental requirement for each American, an intelligent vote at each election.

Mrs. Lunde deplored the small number of people who take advantage of the privilege of voting, a privilege which was not easily gained. The primary election was intended to permit the people to select the candidates to represent their party at the November elections. Those who have some personal advantage to gain always vote. Those who fail to vote defeat the finest nominees, she pointed out. That is her answer to the question, "Who is to blame for bad government when we fail to send good people to Washington when we had a chance?" She believes there are far too few primary contests, where voters have a chance to pick their own congressmen.

Successful efforts to provide better election machinery through permanent registration laws and voting machines were described by the speaker.

There never has been as fine a government as that provided for us under the United States constitution, Mrs. Lunde believes, and we must be worthy of the plan of government given us.

by JOAN DODGE

Every other day, from 2 to 3 p. m., the melodic voices of 54 girls can be heard throughout the vicinity of the Arlington high music department and halls.

The idea of having a girls' chorus originated under the direction of Donald Costain approximately 10 years ago. In the school years of 1945 and '46 the group was directed by Fredrick Schmoeyer. The present director is Miss Fern Ebbert.

Under the guidance of Miss Ebbert, mathematics teacher at Arlington Heights township high school, the Arlington high girls' chorus is preparing for the annual music contests. This year the state district contest for the choruses will be held April 10, at Crystal Lake.

Secular, sacred, classical, and novelty numbers are featured by the chorus, these being for the most part radio arrangements. The number selected, to be sung by the 27 girls going to the contest, is Klemm's arrangement of "White Garden."

"White Garden", together with Bach's "Bourée", and "Salangadou", a Creole lament, were presented March 18 in the music department's first public performance of the season. Carol Faustick was the featured soloist in the "Salangadou" number, and Ruth Gronert was the accompanist for the group.

The chorus also was featured on the "Citizens of Tomorrow" program, sponsored by the Chicago Tribune in the latter part of December when they presented "The Green Cathedral" by Hahn. The hard work on the part of the girls and the indispensable guidance of Miss Ebbert at practice has made possible recognition and praise from the students, faculty members, and townspeople.

Much of the present success of the girls' chorus can be attributed to Miss Ebbert, who hails from Macomb, Ill., and who graduated from Western Illinois State college, Macomb. Before coming to teach here at Arlington she taught for three years at New Berlin, Ill., where she concentrated mainly on choral work which resulted in trips

# Girls' chorus at AHTHS enters state contest

by JOAN DODGE

down state. Besides the work connected with the girls' chorus Miss Ebbert now teaches algebra, applied mathematics and trigonometry.

Membership in the chorus has always been open to any girl interested. One fourth of a school credit is given per year for active participation in the group. If the group places first in the state contests, the girls will be eligible for an award, given by the school, symbolizing achievement in music.

The music department of any school has long been one of the most important factors in the education of youth. We know that Arlington High is no exception. It is hoped that the musical posterity of AHTHS will continue its achievements.

## IT'S SPRINGTIME!

Time for Spring Engine Tune-Up here's what we do.

- Tune-up engine
- Remove wheels and clean brake cam lining
- Adjust brakes
- Clean and repack wheel bearings
- Replace oil filter cartridges
- Clean oil-bath air cleaner, refill with oil
- Fill and adjust shock absorbers
- Flush cooling system
- Completely lubricate chassis
- Flush transmission and differential and refill with warm weather grade lubricants
- Flush crankcase and refill with warm weather top grade lubricants.
- Road test car

Cook county 4-H rally in Heights April 23

An Open House will be held April 23, at the Arlington Heights field house, for all members, leaders, parents, and friends of Cook County 4-H club work. The rally will begin at 8:00 p. m. and an interesting program is being planned.

Announce engagement

Mrs. Bertha Beigel of Mount Prospect announces the engagement of her daughter, Rose, to Mr. Harry Miller, son of Adolph Miller of Park Ridge.

To debate at Illinois

Arlington Heights high school will take part in the annual speech contests to be held at the University of Illinois April 16 and 17. More than 250 students from 62 high schools will seek state championships in eight events.

Team events will be drama and debating. Individual events will be oratorical declamation, extempore speaking, original oration, serious reading, comedy reading and verse speaking. Competing from Arlington Heights in the oratorical declamation event will be William North.

Anna Bradley says 'I do' to Wilbert Heinemann

Delta Zeta sorority to install chapter at Illinois Tech.

Miss Frances Westcott, National president of Delta Zeta sorority, will preside at the festivities honoring the members of Sigma Omicron Lambda, a local sorority at Illinois Institute of Technology, who will be initiated and installed as Gamma Mu chapter of Delta Zeta sorority, April 10, in Evanston.

The initiation ceremonies for the new group will be held at the chapter house at Northwestern, 717 University Place, Evanston. Miss Jan Smith will be in charge of arrangements and serve as official hostess for her chapter.

The installation dinner will be held Saturday evening at the North Shore Hotel in Evanston where Mrs. Porter M. Larson, Province Director, of 709 S. Kensington, La Grange, Illinois, will serve as toastmistress. Miss Westcott will serve as Chief Installing Officer, and the address of the evening will be given by Mrs. Hubert M. Lundy of Bloomington, Indiana.

All local Delta Zetas are urged to make reservations for the installation dinner with Miss Ruth E. Simering of 1936 Orrington ave., Evanston, immediately.

The St. Peter Evangelical Lutheran church, Arlington Hgts., was the scene Saturday of the wedding of Anna Bradley and Wilbert Heinemann. Rev. L. V. Stephan tied the nuptial knot. The bride is the daughter of Mr. and Mrs. Louis Zirk of Roselle and the groom is the son of William Heinemann of Arlington Heights.

A gray wool crepe suit, with gray accessories and a red rose corsage was worn by the bride. Miss Ruth Heinemann, sister of the groom, served as maid of honor for the bride. She was attired in a beige gabardine suit set off with pink accessories and a pink carnation corsage.

Louis Zirk Jr., brother of the bride, acted as best man for the bridegroom. A dinner was held for members of the immediate families at the home of the bride's parents in Roselle.

Mr. and Mrs. Heinemann are making their home on S. State road, Arlington Heights.

Mrs. T. Otto Nall to be guest speaker at WSCS meeting

The Woman's Society of Christian Service of the Arlington Heights Methodist church, will hold a luncheon-meeting at 1:00 p. m., Tuesday, April 13, at the church.

Mrs. T. Otto Nall, recently returned European traveler, will speak on "Women in Paths of Service." Mrs. Nall is the wife of the editor of the Christian Advocate and is a faculty member of the Collegiate Institute in Evanston.

Mrs. Roy Fairbanks, contralto, will be the guest soloist on the program.

Program chairman for the day will be Mrs. A. T. Harkinson. A nursery will be provided to care for the children of the women who desire to attend this meeting.

Rummage sale Saturday

A rummage sale under the sponsorship of the Friendly Circle of St. John Ev. and Ref. church, Arlington Heights, will be held at the church this Saturday, with doors opening at 9:00 a. m.

All those living south of the tracks having articles to be picked up for this sale, should call Mrs. Ray Hanke, 202 S. Mitchell, phone 634-J. Those living north of the tracks should call Mrs. Herman Mueller, 407 E. Euclid, phone 223-W.

Local Committee To Help Raise A Million Dollars

The Order of the Eastern Star of Illinois, with a membership of 150,000, has voted to establish an endowment trust fund for permanent maintenance of their two homes located in Rockford and Macon. This fund is to be raised by general pledge or gift; memorial gifts and bequests, donations and contributions as stipulated by will.

Members of the endowment fund committee of the Bensenville chapter are Helen Gallun, Marie Mitchell and Jesse Capoot. All donations will be handled through this committee. Any amount of money is acceptable. The goal is one million dollars. Bensenville chapter Friend's Night will be held Monday evening, April 12.

Dolores Vogt engaged

Mr. Charles Vogt, Quintens rd., Palatine, announces the engagement of his daughter, Dolores, to LeRoy Kampert, son of Mr. and Mrs. Art Kampert of Barrington.

At DeKalb

In the list of honor students for the winter quarter released recently by the registrar of Northern Illinois State Teachers college there were two from this area. The listing includes all students who have at least a "B" average based on the total number of college credits at the close of the winter quarter.

Honor students include Mary V. Oiles, freshman, of Palatine and William Kleiner of Arlington Heights.

At Rollins

Victor Smedstad, son of Mr. and Mrs. I. H. Smedstad of 202 N. Benton, Palatine, plays the tyrannical father in the current Rollins production, "The Barretts of Wimpole Street," which closed its five day run in the Annie Russell theatre Saturday, April 3.

"The Barretts," which starred Katherine Cornell and Brian Aherne on Broadway, is primarily concerned with the romance of Elizabeth Barrett and Robert Browning which, despite obstacles created by the father Barrett, culminated in marriage.

Declared director Wilbur Dorsett of the role of Mr. Barrett. "It's a difficult part for a freshman, but Victor is handling it extremely well."

Victor has previously appeared on the Annie Russell stage this season in "Joan of Lorraine" and in "The Male Animal."

At West Point

Cadet Lyle E. Walter, son of Mr. and Mrs. Elmer Walter, 340 W. Chicago ave., Palatine, has just returned to West Point after spending a short visit to the United States Naval Academy at Annapolis, Md. This visit was a part of the exchange policy carried out between the two Academies.

Each year the members of the graduating class at West Point spend several days at Annapolis observing and taking part in routine activities and classes. At the same time, their places are filled at West Point by Midshipmen from Annapolis. This is done to promote a better understanding of the mutual problems of the two services, and so promote better relations and closer cooperation in their joint undertakings.

Cdt. Walter, a first classman, or senior, at the Military Academy, received his appointment to West Point from the army. At present he is a member of the Cadet Glee Club, the Pointer Staff, and the Cadet Dialectic Society. He has just finished playing a major role in the annual One Hundredth Night Show, an all-Cadet stage production. Upon graduation this June, Cadet Walter hopes to be commissioned in the Field Artillery.

ISNU reunion in city April 24

Alumni and friends of Illinois State Normal university in northern Illinois will gather in Chicago April 24, when the Chicago ISNU club holds its 60th annual meeting in Mandel's tearoom. This will be a luncheon at 12:30 p. m., with a half dozen representatives of the university participating in the program.

Reservations for the luncheon are being made with Miss Isabel Billings, 1604 S. Fourth, Maywood, secretary of the club. Officers include Robert P. Campbell, Arlington Heights.

PTA meeting at Wilson school this Friday

The Wilson school PTA will hold its next meeting this Friday, April 9, at 8:00 p. m., at the school on Palatine road. Plans for a party to be held in May, will be made at this meeting and all members and friends are urged to attend.

Why Not Improve Your Hearing?

Do you find yourself missing out on bits of conversation? Is it often necessary to ask to have a question repeated? Perhaps it has never occurred to you that your hearing may be impaired. Loss of hearing is usually gradual and sometimes the person affected is the last in the family circle to realize his or her disadvantage. Science and the medical profession today can offer help in overcoming many hearing difficulties. The first step towards better hearing is to consult your doctor. His valuable advice based on knowledge and experience will guide you correctly in attaining improved hearing through medical or scientific aid.

CAMPBELL AT DUNTON ARLINGTON HEIGHTS

## Marjorie Heinze and George Glade marry

Miss Marjorie Heinze and Mr. George W. Glade repeated their wedding vows after Rev. L. V. Stephan, before the palm and flower decked altar of St. Peter Ev. Lutheran church Saturday evening, at 6:00 o'clock. Miss Heinze is the daughter of Mr. and Mrs. William O. Heinze of Arlington Heights and Mr. Glade is the son of Mr. and Mrs. George F. Glade of Mount Prospect. Wedding music was played during the ceremony with Mr. O. Kolb at the organ.

The bride, given in marriage by her father, was attired in a colonial style white taffeta gown, complete with hoop skirt and three tiers of ruffles in front of skirt. Her gown was set off with a short sweep veil, fingertip length, fastened to a crown covered with apple blossoms. Miss Heinze's colonial bouquet consisted of white sweetpeas and carnations and was centered with two white orchids.

Maid of honor for the bride was Miss Marilyn Glade, who wore a colonial style dress of green net and lace, and carried a bouquet of purple sweetpeas mixed with yellow and pink carnations. Acting as bridesmaids for the bride were Miss Arlene Grienke and Miss Louise Glade. They were gowned alike in colonial style dresses of yellow net and lace. Their bouquets were identical to the maid of honor's. The bridegroom was attended by his brother, Kenneth H. Glade, as best man, with Ralph Heinze, brother of the bride, and Marvin Neitzke serving as ushers.

Following the ceremony a wedding dinner was served to 18 guests at Loretta's dining room. A reception was held for 275 guests at the apartment of the bride and groom, 7 N. Wille street, Mount Prospect. Center of attraction at the reception was a beautiful six tier wedding cake made at the O'Dell Bakery in Rogers Park with the assistance of the bride's father, who is employed there.

## Dolores Koepl and Robert Bentz are wed

The marriage ceremony of Miss Dolores E. Koepl and Robert Bentz was performed Saturday by Rev. L. V. Stephan at the St. Peter Evangelical Lutheran church, Arlington Heights. Miss Koepl is the daughter of Mr. and Mrs. Charles Koepl of Chicago and Mr. Bentz is the son of Mr. and Mrs. Arthur Bentz of Arlington Heights.

During the candlelight ceremony Mary Ann Laske sang "Because" and "The Lord's Prayer," accompanied at the organ by Mr. A. Bathje. The church altar was decorated with palms and baskets of white carnations.

Mr. Koepl gave his daughter in marriage. She was dressed in a gown of white satin and net, styled with satin bodice inset with applied flowers, and a full net skirt and train. A pearl crown held her fingertip veil in place. The bride carried a bouquet of white roses and sweetpeas.

The grooms sister, Mary Jean Bentz, served as maid of honor.

She wore a pink net dress, fashioned with an off the shoulder effect bodice and a full skirt. She had a coronet of spring green carnations in her hair and carried a bouquet of green carnations, tied with pink ribbon. Her hands were gloved in matching pink mitts.

Kathryn Edberg was the bridesmaid, and she was attired in a dress of spring green net, styled identical to the maid of honor's, and set off with matching green mitts, a coronet of pink carnations in her hair, and a bouquet of pink carnations tied with green ribbon.

Best man for the bridegroom was his brother, Roger Grandt, with his brother, Wilbert Grandt, and Clyde McNeely and Richard Siglinsky acting as ushers.

Two hundred guests attended the reception held at the American Legion home, at 8:30 p.m. A buffet supper was served to the guests at midnight.

Mr. and Mrs. Bentz are making their home in Scarsdale, Arlington Heights.

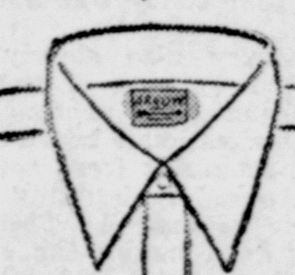

## Why do so many handsome men wear Arrow DALE Shirts?

It just seems that way. Most any man is good-looking in Arrow's trimly-cut Dale Shirt.

What does it?

Its luxurious fabric (Sanforized, to keep shrinkage under 1%.)

Its perfect, non-wilt collar that stays neat and fresh all day.

Its Mitiga trademark, that gives Dale its form-following fit.

Anchored buttons stay on duty all the time. See the Arrow Dale here. \$4.25.

CAMPBELL AT DUNTON ARLINGTON HEIGHTS

# Marjorie Heinze and George Glade marry

Miss Marjorie Heinze and Mr. George W. Glade repeated their wedding vows after Rev. L. V. Stephan, before the palm and flower decked altar of St. Peter Lutheran church Saturday evening, at 6:00 o'clock. Miss Heinze is the daughter of Mr. and Mrs. William O. Heinze of Arlington Heights and Mr. Glade is the son of Mr. and Mrs. George F. Glade of Mount Prospect. Wedding music was played during the ceremony with Mr. O. Kolb at the organ.

The bride, given in marriage by her father, was attired in a colonial style white taffeta gown, complete with hoop skirt and three tiers of ruffles in front of skirt. Her gown was set off with a short sweepster veil, fingertip length, fastened to a crown covered with apple blossoms. Miss Heinze's colonial bouquet consisted of white sweetpeas and carnations and was centered with two white orchids.

Maid of honor for the bride was Miss Marilyn Glade, who wore a colonial style dress of green net and lace, and carried a bouquet of purple sweetpeas mixed with yellow and pink carnations. Acting as bridesmaids for the bride were Miss Arlene Grienke and Miss Louise Glade. They were gowned alike in colonial style dresses of yellow net and lace. Their bouquets were identical to the maid of honor's.

The bridegroom was attended by his brother, Kenneth H. Glade, as best man, with Ralph Heinze, brother of the bride, and Marvin Neitzke serving as ushers.

Following the ceremony a wedding dinner was served to 18 guests at Lorretta's dining room. A reception was held for 275 guests at the apartment of the bride and groom, 7 N. Wille street, Mount Prospect. Center of attraction at the reception was a beautiful six tier wedding cake made at the O'Dell Bakery in Rogers Park with the assistance of the bride's father, who is employed there.

# Dolores Koepl and Robert Bentz are wed

The marriage ceremony of Miss Dolores E. Koepl and Robert Bentz was performed Saturday by Rev. L. V. Stephan at the St. Peter Evangelical Lutheran church, Arlington Heights. Miss Koepl is the daughter of Mr. and Mrs. Charles Koepl of Chicago and Mr. Bentz is the son of Mr. and Mrs. Arthur Bentz of Arlington Heights.

During the candlelight ceremony Mary Ann Laske sang "Because" and "The Lord's Prayer," accompanied at the organ by Mr. A. Bathje. The church altar was decorated with palms and baskets of white carnations.

Mr. Koepl gave his daughter in marriage. She was dressed in a gown of white satin and net, styled with satin bodice inset with applied flowers, and a full net skirt and train. A pearl crown held her fingertip veil in place. The bride carried a bouquet of white roses and sweetpeas.

The grooms sister, Mary Jean Bentz, served as maid of honor.

She wore a pink net dress, fashioned with an off the shoulder effect bodice and a full skirt. She had a coronet of spring green carnations in her hair and carried a bouquet of green carnations, tied with pink ribbon. Her hands were gloved in matching pink mitts.

Kathryn Edberg was the bridesmaid, and she was attired in a dress of spring green net, styled identical to the maid of honor's, and set off with matching green mitts, a coronet of pink carnations in her hair, and a bouquet of pink carnations tied with green ribbon.

Best man for the bridegroom was his brother, Roger Grandt, with his brother, Wilbert Grandt, and Clyde McNeely and Richard Siglinsky acting as ushers.

Two hundred guests attended the reception held at the American Legion home, at 8:30 p.m. A buffet supper was served to the guests at midnight.

Mr. and Mrs. Bentz are making their home in Scarsdale, Arlington Heights.

## Why do so many handsome men wear Arrow DALE Shirts?

It just seems that way. Most any man is good-looking in Arrow's trimly-cut Dale Shirt.

What does it?

## Louis Bornkamps have silver anniversary

Eighty guests attended a supper Sunday evening at the Legion hall, given by Mr. and Mrs. Louis Bornkamp, E. Euclid st., Arlington Heights, in celebration of their twenty-first wedding anniversary.

The Bornkamps were married April 1, 1923 in Arlington Heights by Rev. C. M. Noack. They have two daughters, Gertrude, who is employed with E. W. A. Rowles company, and Bernice, who is a nurse at the Cook County hospital. Mr. Bornkamp is employed as custodian at the North school in Arlington Heights.

Among the guests attending the supper, most of whom were relatives, were Mr. Bornkamp's sister and husband, the Ernst Kirchhoffs, of Elkhorn, Wisconsin.

## 'April Showers' dance benefits Youth Center

On Saturday evening, April 17, the Youth Center members will open Ramble Inn for their mothers and fathers, older brothers and sisters, school alumni and all members of the community who enjoy a party. The April Showers dance last year was so much fun for everybody who attended, that the Youth Center was urged to make it an annual affair.

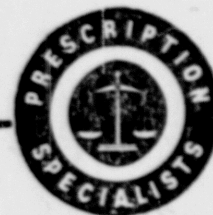

The ballroom of the field house—daintily decorated—will provide ample space for dancing to a favorite orchestra, and the Ramble Inn rooms will be open as usual. A very special floor show is being planned. Tickets at \$1.75 per couple may be obtained from any Youth Center member.

## Adequate defense of U.S. is goal of nat'l DAR

Guest of honor, Mrs. Thomas Maury, State Regent of Illinois, presented an inspiring, informal talk to members of the Eli Skinner Chapter of the Daughters of the American Revolution. The afternoon session was held Thursday, April 1, at the home of Mrs. Harold Lommen in Palatine, assisted by Mrs. Andrew Kettleson.

Answering her own question, "Why be a DAR?" Mrs. Maury replied: "We should be humbly proud of our ancestors, and preserve that heritage left to us by our forefathers. It is a substantial American organization that stands for things American, and is against all other 'isms' except Americanism."

"The DAR has taken a strong active role in National Defense and Americanism. At the behest of the FBI, the Daughters will continue this participation. Americanism is the study of our laws and legislation."

Major resolutions were drawn up at the state convention in Peoria, and explained by Mrs. Maury. They do not necessarily represent every member of the group but represent, a majority opinion.

Special emphasis is to be placed on National Defense at the fifty-seventh Continental Congress in Washington, D. C., April 19 through April 23. The Daughters hope to take a firm stand through resolutions for adequate preparedness, and ample appropriations to build up various branches of the military service, particularly this nation's air force.

Mrs. Maury also clearly explained the working of the national organization through a set up of a national board comprised of members from each of the 48 states. A building program, not to exceed \$900,000, will be placed before the Fifty-seventh Continental Congress by President General, Mrs. Roscoe

C. O'Byrne, and her administration. This will be the first major construction undertaken by the DAR since the building of Constitution Hall in Washington, D. C.

At the close of the meeting tea was served and members enjoyed speaking with Mrs. Maury personally. Mrs. Kenneth Gregory, chapter regent, and Mrs. Charles H. Mills, chapter registrar, presided.

## IRSG of Woman's club to hold meeting April 20

The International Relations Study Group of the Arlington Heights Woman's club will meet April 20, at 1:30 p. m., at the home of Mrs. Walter Hermsdorf, 115 S. Highland ave.

Members are urged to attend this meeting, the program of which will be in charge of Mrs. Donald Cox. Included on the program will be a talk by Mrs. Arthur Franzen on the amendments to the Marshall Plan.

## Stork Feathers

Mr. and Mrs. Leroy Hattendorf of Mount Prospect, are the proud parents of a son, Ronald Warren, born March 17 at the Elmhurst hospital. Ronald weighed in at 7 pounds 6 ounces. Maternal grandparents of the infant are Mr. and Mrs. Henry Deek.

A daughter was born to Mr. and Mrs. Henry Schaeffer of Mount Prospect March 26, at the St. Francis hospital, Evanston. The little girl weighed 8 pounds 11 ounces at birth and has been named Ruth Ann. Mr. and Mrs. Fred Tegtmeyer of Des Plaines are the baby's maternal grandparents.

Proud parents of a daughter are Mr. and Mrs. Ted Baker of Mount Prospect. Cynthia Louise, the little girl's name, was born April 3, at the Women's and Children's hospital in Chicago, and tipped the scales at 7 pounds 8 ounces. Her maternal grandparents are Mrs. Victor Winn and the late Mr. Victor Winn. Cynthia's daddy was not here to welcome her arrival as he is stationed with the U. S. Army in Korea.

Mr. and Mrs. Howard Owen, 203 N. State road, Arlington Heights, are proudly announcing the arrival of a daughter, Sharon Ann, born March 31. Sharon tipped the scales at 8 pounds 7 ounces.

Mr. and Mrs. George E. Jensen, formerly of Arlington Heights, and now stationed with the Army of Occupation at Stuttgart, Germany, are announcing the arrival of a son born February 19 in the 387th Station hospital at Stuttgart. The little lad weighed 7 pounds 11 ounces at birth and has been named George William. Grandparents are Mr. and Mrs. George Jensen of Miami, Fla. and Mr. and Mrs. W. C. Lanham of Des Plaines. Mrs. Jensen is the former Betty Lanham.

## Camp Fire leaders of five states to meet in Chicago

The annual meeting of Camp Fire leaders and adult members of Region IX which includes Illinois, Ohio, Michigan, Indiana and West Virginia, will be held in the Congress hotel, Chicago, Friday and Saturday, April 9 and 10. The Chicago Council of Camp Fire Girls is serving as hostess to this representation of leaders, sponsors, council members and staff. The speaker of the morning session will be Rev. Archibald Carey, Jr., whose topic will be "Your privileges and responsibilities as a volunteer leader." At the luncheon Mrs. James Parker, National President of Camp Fire Girls will preside.

Work shops for Blue Bird leaders, Camp Fire leaders and Horizon club advisors will be conducted in the afternoon, and at the banquet Friday evening, Mrs. Clifton Utley, member of Chicago Board of Education will be the guest speaker. Her topic will be "Girls Are Important." Dr. Ralph Reis, president of the Chicago area Camp Fire council will be toastmaster.

A general session on Saturday morning will precede a movie "Make Way for Youth" which will conclude the conference.

Mrs. Frieda Harvey will represent the Blue Birds, Mrs. Lange, Camp Fire Girls, and Mrs. Kule, Horizon club, as delegates to the conference. Mr. Russell Smith and Miss Bertha Ehard will represent the Camp Fire committee at the banquet.

The new Chicago area Camp Fire summer camp in Westfield, Wis., is looking forward to a busy, happy summer with eager Blue Birds, Camp Fire Girls and Horizon club members who will explore woods and lake shore, cook outdoors, swim, fish, go boating, canoeing, visit the neighboring fish hatchery and enjoy the two hundred acres of north woods.

## St. Peter church host to Sunday school workers

St. Peter Ev. Lutheran church will be host to all Sunday school workers of this district next Sunday afternoon and evening, April 11, 3 to 8:30 p. m. The institute is sponsored by the Office of Christian Education of the Northern Illinois District of the Lutheran church and will embrace the area from Des Plaines to Harvard, Ill.

All Sunday school workers have been obligated to attend while others, such as parents of the pupils or prospective Sunday school teachers, are invited. The program of events will begin in the church building at 3 p. m. The Dorcas Aid of St. Peter church will serve a supper at a nominal cost.

In the church's grim struggle against atheism and indifference, the work of the Sunday school becomes increasingly important. The workers need constant guidance and inspiration as well as recognition for the arduous work they are performing in behalf of the parents.

## Girl Scouts

### TROOP 4

Senior Girl Scouts of Troop 4, with their leaders, Mrs. K. W. Kennedy and Miss Marian Pope, attended the matinee of "Show Boat" at the Shubert Theater on Saturday, April 3. At a previous meeting, Edna Ferber's book, on which the musical was based, was reviewed for the Troop by Pat Greshner.

One evening was also devoted to listening to the album of "Show Boat" music through the courtesy of Mr. and Mrs. Clifford Schapanski, of the Arlington Radio and Record Shop.

### TROOP 6

Monday the Girl Scouts of Troop 6, Arlington Heights, held their meeting at the Methodist Meeting House. During the meeting led by Judith Gregg, chairman, the girls changed some of their troop traditions and discussed badge work.

Pantomimes acted out by the girls, took up the rest of the meeting, which was enjoyed by all attending.

## RAMBLE INN

by BILL NORTH

Congratulations to the contestants in the District Music contest held at Crystal Lake last Saturday, April 3. It was a great day for Arlington Heights township high school as Arlington took seven first places, ten second places, and three third places.

First place winners were Jean Baldwin, Ingrid Schuren, John Shanley, Bill Lathen, the triple trio, Norman Ashcraft, Marilyn Schlemmer, Peggy Ashe, Arthur Sietz, Connie Johnson, Bill Lathan, Don Dewey, Howard McElhose, Bob Arnold and Bob Daggett.

Several of the students competed in several events and made an excellent showing in all of them.

Twenty-two students will travel downstate for the finals of the music contest later in the month. This is the second year that Arlington High has done exceptionally well in these music contests.

Also on Saturday, April 10, the band and choruses will go to Crystal Lake to compete in another music contest. The band, the girls chorus, the mixed chorus, and the boys chorus will all attempt to equal the record set by this year's solo and ensemble team and last year's team.

Congratulations also go to Frederick Schmoeyer, Miss Fern Ebbert, and J. D. Bryson for their excellent job of coaching these contestants.

What more can I say. I've told you about the brilliant floor show that is now rehearsing for the April Showers dance. I've told you about the exquisite color scheme and the vivid decorations. I've told you that the price is \$1.75 per couple. I've

explained that it will be by far the greatest dance ever sponsored by the Arlington Y. C. So you see I'm stumped. What can I say? Oh, I know that I could go into long lists of very appropriate adjectives and adverbs telling you how you would enjoy the dance. But that is rather a frustrating idea because words can never tell the thrill of holding a girl in your arms and dancing in an unexcelled atmosphere to music that is soft, sweet, and suave. Ah, yes, words have not yet been devised by the minds of men to give a true picture of the April Showers dance. All you will be able to do is sigh a long and appraising "Ummmmmmmmmmmm." P. S. That dance is April 17.

—Y. C.—

The gentle sway of a boy and girl  
In a fox trot with a dip or twirl  
The music flowing through the air  
The perfume of her gossamer hair  
The mellow lights so soft and low  
The bliss that night alone can know  
The bright stars above, the

breeze's soft sigh  
And the pale full moon a standing by  
The thrill, the charm, the loveliness  
Of spring's wondrous sweet caress  
Ah, what mortal can escape the charm  
Who does not feel the night's romance  
So keep my date safe from harm  
For we're heading for the Showers Dance.

## Darrel Meachem baptized

The small son of Mr. and Mrs. Darrel Meachem, Sr., Mt. Prospect, was christened Sunday at the St. John Ev. and Ref. church, Arlington Heights, by Rev. W. F. Kampfenkel. He was named Darrel John Jr. and had LeRoy Meachem and Louise Mrs. as his sponsors.

Following the baptism a family dinner party was held at the home of the baby's maternal grandparents, Mr. and Mrs. John Bencic, in Mt. Prospect.

It's NO. 1 on the "It" Parade

It's much the same way with cars as with people.

Some "have it" — some don't.

Some you go for, all out — without quite being able to lay a finger on why. And those — well, they usually become your firmest friends.

What is it that makes so many good folks say this trim honey's "got it"? Good looks? One has to admit it's nice to ride in a car that is unmistakably itself and not just a slightly modified version of something else.

Size, weight? Well, the polls tell us it's a pretty important factor since, if you like an automobile that does things, there just is no substitute for brawn and solid substance.

Power? Naturally. You can't sit long behind this big Fireball straight-eight without falling for it plenty hard.

Handling? Ride? Room? They all have their avid fans among Buick owners. Especially now with a completely new kind of engine mounting ironing out vibration build-up as never before, and in this Convertible model, with automatic top, door-window and front-seat adjustment.

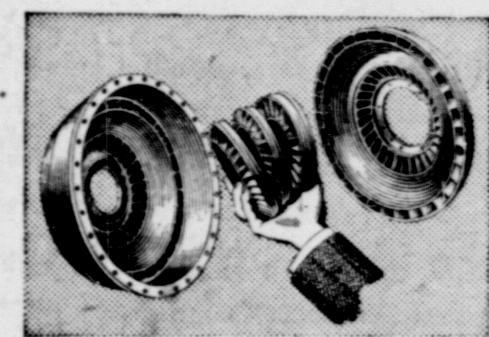

Is it the wonderful new Dynaflo Drive\* that's causing so much talk?

In ROADMASTER models that is certainly a big factor. You'll never know how silky smooth a drive can be — what fluent new ease there is to all your going — till you drive the car where liquid

replaces both the clutch and first, second and high gears.

But as nearly as we can find out — and we talk to a lot of people — it isn't any one thing that puts Buick at the top of the "it" parade. It's the over-all richness of this honey in all the things you've dreamed of finding wrapped in an automobile.

Ask any friend who drives a Buick — then see your dealer and get a firm order in, with or without a car to trade.

WHAT'S DIFFERENT ABOUT DYNAFLO DRIVE?

To an efficient new pump (left above), Buick engineers have added a true turbine (right) and an ingenious new supercharging assembly (in hand) which produce a torque-boasting action in starting and accelerating. The result is the first device on any American passenger car which employs liquid to fill the function of both the clutch and the usual low, second and high gears. The clutch pedal is eliminated and a simple control gives you manual selection of power ranges and direction.

\*Optional at extra cost on Roadmaster models only.

BUICK alone has all these features

- \* DYNAFLO DRIVE (Optional, Roadmaster Series)
- \* TAPER-THRU STYLING

Mrs. Franklin Busse entertained at a family party Friday night, in honor of her birthday, which was observed on Wednesday of last week.

Mrs. Esther Moehling entertained her pinocle club Tuesday evening. Honors went to Mesdames V. L. Folkman, Walter Moehling and R. J. Rizzi.

This week end Mr. and Mrs. John F. Kreiner will have as their guests Mr. and Mrs. E. Foley and three children of Milwaukee, Wis.

Mrs. S. E. Pate returned Tuesday from Appleton, Wis., where she spent several days visiting her son-in-law and daughter, Mr. and Mrs. W. A. McConaha.

The birthday of Mrs. George Harris was celebrated recently. Guests included Mrs. Otto Rexess and Miss Grace Rexess of Des Plaines, and Mr. and Mrs. Everett Lang of Chicago.

Mrs. George Hauff has returned from spending a month in Arcadia, Calif., where she visited her father, Louis Helm, and other relatives. While there her uncle, Fred W. Helm, passed away.

Last Thursday afternoon Mrs. Jack Everett and Mrs. Elmer Carnross attended the Wheaton Hobby Show.

Mrs. Louise Tonne of Lake Zurich spent the week end visiting her daughters, Mrs. E. H. Ingles and Miss Elizabeth Tonne.

Sunday visitors at the home of Mr. and Mrs. William Heide-mann were Mr. and Mrs. Oren Neville and son, Duane, of North Prairie, Wis.

Last week, Tuesday, Elroy Winkelman and Frank Jahn attended the Firemen's school in Lansing, Mich. This school was held especially to give tips on how to fight fires to volunteer firemen.

Edward Brodine Jr. spent the week end in Benton Harbor, Mich., where he visited his uncle and aunt, Mr. and Mrs. Marvin Wilson.

The members of the Girl's Club met at the home of Mrs. Harold Stoffel Monday evening.

Charlene Stites celebrated her third birthday March 24. A few friends dropped in to extend their congratulations and to help eat her birthday cake.

Mr. and Mrs. Robert Blackburn will entertain their bridge club Saturday night.

Guests last week end of Mr. and Mrs. Ralph Sawyer were Mr. and Mrs. Ralph Schrader of Rock Island. Sunday the Sawyers and their guests visited friends in Mooseheart, Ill.

Mrs. Stanley Woznick entertained her bridge club at a dessert luncheon Wednesday afternoon.

Verdell Duenn will undergo a tonsillectomy today, Thursday, at the St. Joseph hospital in Elgin.

Mr. and Mrs. Daune A. Folkman of Casper, Wyo., will arrive Friday night to spend their vacation at the home of Mr. Folkman's parents, Mr. and Mrs. August L. Folkman.

Mr. and Mrs. James Yates and children spent last week end at their cottage on Lake Koshkonong, Wis.

## Spring dance Saturday

Local No. 7, C. C. T. G. & F. Assn. will hold a Spring Dance at St. Mary's gymnasium, Central road, 1/2 block west of Silver road, 2 miles north of Des Plaines, this Saturday evening. Doors open at 8:00 p. m.

Homer's Melody Makers orchestra will be on hand to furnish the dance music. Everybody is welcome to attend. Door prizes and refreshments will highlight the evening. Tickets are seventy-five cents, including tax.

## You Must Have METAL WEATHER-STRIPS

## Forest River woman heads Salvation Army suburban tag drive

Mrs. Julia Stevens Krafft, 1015 Ashland ave., River Forest, has been appointed suburban chairman for the Salvation Army's annual doughnut tag day, June 15, it was announced by Mrs. Holland Flagler, chairman of the tag day leadership committee.

She will be in charge of volunteer taggers in 42 suburban areas.

Mrs. Krafft is actively engaged in a number of social projects, among them the Chicago Boys' club, the Off the Street club, the Florence Crittendon Anchorage, the Advisory Committee of American Veterans, the Board of United Nations Appeal for Children, and the Board of Care and Education for Physically Handicapped Children.

## Attend conference

Mrs. Clyde Schuelz of the Mt. Prospect council of Girl Scouts and Mrs. H. Gieseke were in Chicago the 5th and 6th of April to attend the Spring Regional conference of the Girl Scouts being held at the La Salle hotel. Women volunteers holding the same position in Girl Scouting in their communities were in Chicago for this meeting from all over the four states of Illinois, Indiana, Michigan and Wisconsin which form the Great Lakes Region of the Girl Scouts.

The theme of this spring conference is "Better Camping for More Girls." A series of group discussions were held to consider ways and means to better programs, the expansion of camping facilities, and other aspects of improving camping for Girl Scouts.

Other highlights of the conference were the Girl Scout participation in international conferences; the World Committee meeting this coming August in Cooperstown, N. Y., and the extension of Girl Scouting to handicapped girls.

## AUCTIONS

April 25 Round-up sale will be held Sunday, April 25, at Bob Schnell's, Arlington Heights and Algonquin roads, 3 miles south of Arlington Heights. Farmers are urged to send in their consignments to Gus Hoeske or at Schnell's, Phone Arl. Hts. 7637-J or 1473.

## Five year old wins in Saturday's amateur show

Three more amateur show winners are being announced this week. Winning first place in last Saturday's show at the Arlington Theater was five year old Margie Koehler, acrobatic dancer. Second place honor went to Joan Zaleski, tap dancer, and third place went to Dick Shanley, singer.

Guest star, not in the competition, at the program was Dick Lowey of Des Plaines, who, though only 12 years old, is a renowned boogie woogie piano player. Dick has never had a piano lesson and can't read a note, but he really knows how to pound out the tunes on the ivories.

Dick, as a part of a three-piece orchestra, will appear in

## Cook County Survey Committee

In the Office of the Cook County Superintendent of Schools

**Notice of Hearing**

STATE OF ILLINOIS, COUNTY OF COOK, SS.

Public notice is hereby given that in pursuance of the provisions of the School Code of 1945 of the revised statutes, State of Illinois, and amendments and laws relating thereto, the Cook County School Survey Committee or any duly authorized subcommittee thereof will on Thursday the 22nd day of April, 1948 at the hour of 8 o'clock in the P. M. will hold a public hearing at South School in Arlington Heights relative to the tentative recommendation of the said committee for the reorganization, establishment or change in the boundaries of the following common school districts, to wit:

## THE NEW AUTOMATIC GAS RANGE...

**YOUR OLD FLAME**

**HAS THE New Look!**

**YOUR FAVORITE** range . . . the range with the clean, blue GAS flame has the "new look". The smart design of today's automatic GAS range brings sparkling beauty to any kitchen.

And, this "new look" is more than skin-deep! The new gas range has all the features you've dreamed about . . . including *automatic cooking!* Think of it . . . it turns on—cooks—and turns off while you're away! Accurate time and temperature controls mean perfect results every time, important fuel savings.

Modern GAS ranges give you even greater economy! Your kitchen has never been so cool. Yes, now you can replace your old gas range with one that's much more efficient.

These automatic GAS ranges *still* have all the proven advantages. You can *still* select any degree of heat . . . get instant response for faster cooking . . . and the same dependability.

See the beautiful new AUTOMATIC GAS ranges at your dealer or nearest Public Service Company store today!

*It's Being Done at Willow Run!*

# Kaiser-Frazer Introduces Four New 1948 Models

• The 1948 KAISER • The 1948 KAISER CUSTOM  
• The 1948 FRAZER • The 1948 FRAZER MANHATTAN

# AT NO INCREASE IN PRICE!

**While Other New Car Prices Are Advancing**

HERE'S WHY Kaiser-Frazer can make this announcement while other new car prices spiral upward. Kaiser-Frazer controls its own supply of many basic raw materials . . . has its own engine plant, foundry and steel mill. Materials from these sources funnel into new and modern Willow Run—the largest automobile manufacturing plant in the world under one roof.

Unfinished steel goes in one end of this great plant and comes out a quality automobile, ready to be driven away. All this is accomplished in a matter of hours, and with the economy of Kaiser-Frazer straight-line production. This is an achievement of men who are injecting new methods and ideas into an old industry.

In the new 1948 Kaiser, Frazer, Kaiser Custom, and Frazer Manhattan you get all the features

that others have attempted to copy since Kaiser-Frazer design was introduced in 1947.

So far no one has been able to more than approximate the graceful exterior body lines. No one has come near matching the roadability . . . the ride resulting from seats cradled between the front and rear wheels, such wide seats with both elbow and shoulder room. And none have the style features, the wide choice of colors and fabrics.

You get all this plus the many refinements made possible by years-ahead engineering and design. And, of course, all 1948 Kaiser or Frazer cars have the new Goodyear 24-pound pressure Super-Cushion tires that make bumps something you see but never feel.

Enjoy a ride today in America's newest new cars—the 1948 cars that have not gone up in price!

Wherever you drive, wherever you go, round the corner, down the street, there is a Kaiser-Frazer dealer ready to serve you with genuine factory parts and approved service.

*We Invite You to SEE, DRIVE and COMPARE Them, Today!*

## Scouters hold third session at Camp Baden Powell

by ARNOLD HATCH

24 Scouters of N. W. S. council met at Camp Baden Powell, March 30 in third session of Scoutmaster training course.

Stan Huntington ran a 16 m.m. sound film movie "Troop and Patrol Planning" which gave a very interesting story of the operation of a troop in all of its phases of program planning, including committee's part also scenes of the troop at meetings and on hikes.

Scoutmaster Harold Love led an informative discussion on planning the yearly troop program concluding the talk by asking all patrols to make out a program sheet for a week end camping trip.

Bill Davis gave an interesting talk on the part of the commissioner plays in Scouting. He pointed out that because of their specialized training they can give advice or aid that will be helpful to any troop especially if it is not progressing satisfactorily.

Such interesting games as, the jumping circle, bubble dance and the game of buzz proved highly entertaining.

P. L. Marks opened and closed the meeting with an effective candlelight ceremony.

Refreshments were enjoyed by these Scouters: Stan Huntington, Harold Love, Cecil Nixon, Fr. Stan Robicinski, Ralph Schulze, Paul Byrd, John May, John Seipp, Frank Marks, Harry Stanzepp, Bill Ziebell, Howard Fraze, Emil Panke, Bill Davis, Otto Pfeiffer, Harry McKee, Dave Kipar, Lloyd Taylor, Frank Marriotti, Rod Didds, A. Stoothoff, A. Aleckson, Roy Schmidt, Arnold Hatch.

## Nab Two In Wisconsin For Itasca Car Theft

The two high school youths who grabbed the 1946 Buick Friday belonging to James Beaver of Itasca, and took a fling at adventure, were picked up at Rhinelander, Wisconsin, Saturday. The youths, William Deane of Glen Ellyn and George Malmberg of Lombard, took the car while it was parked in front of Glenbard high school on St. Charles road.

**SHERIFF** Elmer Hoffman, Chief Deputy Rollin Hall and Chief Briarton of the Lombard police, brought the two youths back from Wisconsin. Their bail was set at \$2500 and they are now in the county jail waiting arraignment before Edward H. Feil, police magistrate at Glen Ellyn, Saturday.

Complaints were signed by Beaver, a student at the high school.

## 'Give me my America' says Berlin letter

A letter received recently by Mrs. Mabel Reinshagen of Palatine from her niece, Mrs. Eleanor Ahnfeldt, from Berlin, Germany, gives a picture of life in occupied Europe.

Mrs. Ahnfeldt recently joined her husband, Lt. Col. Arnold Ahnfeldt, Chief of Surgery at the American hospital in Berlin, at his post there.

The letter says in part: "Berlin is in the Russian zone, but the American sector consists chiefly of the residential part of Berlin. We have an exceptionally lovely large home of the Frank Lloyd Wright type.

"It is quite interesting to be in Berlin and see the places which figured so prominently in the news during the war.

"Berlin is quite cosmopolitan in atmosphere with subway and elevated railway systems, theaters and modern shops which set it apart from other German cities.

"It was quite an experience to drive through the Russian zone past Russian guards and then, as night fell, see displaced persons or maybe Germans trying to get out of the Russian zone. Sometimes there were entire families with blankets wrapped around them and rags around their feet.

"Give me my America and the land of the free. What a fortune even the poorest are born with in America. God grant that America and her way of life may lead the world."

## American Legion Auxiliary notes

At the regular meeting of Merle Guild Unit No. 208 of ALA was held Tuesday evening at Legion hall. An evening social meeting was planned to be held at Legion hall April 20.

## To hear and see nature films and conservation talk

The Mt. Prospect Girl scout council is extending a cordial invitation to everyone in the Village of Arlington Heights to attend their regular council meeting Monday, April 12, at 8 p. m. in the Mt. Prospect public school. Roberts Mann, superintendent of conservation of the forest preserve district of Cook county will show colored, sound movies of nature and wild life, followed by a short talk about outdoor manners and appreciation, with general relation to the people in a large metropolitan area.

Mr. Mann has been doing a great deal of work with conservation education. He has been working with youth groups in wide fields on an increasing

scale. Each week he issues Nature Bulletins which go into every classroom in Cook county. At present there are about 10,000 of these bulletins issued each week.

Mr. Mann also broadcasts weekly over the Chicago board of education station WBEZ, at 10:15 a. m. each Monday, which program can also be heard at the same time over station WIND.

The Mt. Prospect Girl scout council offers this opportunity to everyone in the village to see and hear Mr. Mann. He is a vivid and interesting speaker.

in place of the usual afternoon session. Mrs. George E. Jorgensen will be hostess.

A rummage sale to be held May 1 was discussed. Details later.

The units of the Ninth District are invited to attend the bingo party at Logan Square Masonic Temple May 6. The party is to honor Mrs. Flo Hoffman, who is candidate for the office of department president. Tickets are one dollar and entitle the holder to 20 games of bingo. For further information call Merle Holtz, 102-J, or Mae Wisersky, 604.

# CARDINAL NINE OPENS DEFENSE OF CO-TITLE THIS FRIDAY

**MASCAYS**  
BY GERALD MCELROY

There was little sports activity the past week in this area on the high school front except the Oak Park Relays which Oak Park won again as usual. Niles, Leyden, Bensenville, and Palatine from the local conferences had boys in the meet. Whenever a boy from a school which does not have indoor track can win a place in the Oak Park meet he can figure that he has arrived in his event. Palatine's Harold Stephan took a fifth place in the broad jump with a leap of 19 feet 11 1/2 inches. Stephan is the third Palatine athlete ever to win points at the Oak Park meet. Jim Langhoff took a second place in the mile in 1940 with a 4:39.6 while Klaus Timmerhaus won the mile in 1942 with a time of 4:48.

**Pittman may be winner for Bensenville this year**

Bensenville's Pittman appears to be the best putter in the Northwest Conference if his 41 ft. 11 inch heave at Oak Park is a point from which he will improve. Palatine's Hank Spoo got one of 39 ft. 11 in. and will improve. Spoo's best event will be the discus. He has been hurling the platter consistently between 120 and 130 feet in practice without extending himself. It took a put of 48 feet to get a place in the Oak Park meet shot put with the winner over 53 and a few inches from the meet record.

**Kramer to be new pro tennis champ**

We saw the Kramer-Riggs tennis match at the stadium Saturday night and did not feel that Riggs belongs on the same court with the great Kramer. In fact the feature match was too one-sided to be interesting. The doubles with Segura and Kramer, Riggs and Pails was the best attraction of the evening with the colorful "Pancho" Segura, South American and U. S. intercollegiate champ, playing far and away the best tennis. We would like to have Segura play Riggs. Earlier when the quartet of professional stars played in Chicago, Riggs, the pro champ, had a lead of 12 victories to Kramer's six. Now Kramer, the former amateur champ, has won 6 matches to Riggs' 17. After 85 matches in U. S. the tour is continued to South America, South Africa, and Europe.

**Byron coming to Palatine Relays for first time**

They are still entering the 16th Annual Palatine Relays. This past week a card came from Byron stating that they planned to enter the meet swelling the possibilities to 27 schools. It is another week before actual entry lists and fees must be sent in. It costs \$1.00 a relay and 25c a man for individual event entries to be in the meet competition. Palatine puts up \$225 in medals and trophies and plans to get back about \$150 in entries. A rainy day could still put the meet in the red but for seven straight years balmy weather prevailed on the last Saturday in April.

**Redwings open practice sessions**

The Arlington Redwings baseball team will begin preparations for the coming season by holding practice sessions Saturday and Sunday afternoons in Recreation park at 2:00 o'clock. Although the Redwings will operate in the Midwest-Chicago semi-pro baseball league, the opening game will bring Algonquin to the local field on May 2.

## Libertyville downs Palatine in first dual

Libertyville defeated Palatine in the opening dual track meet of the season Tuesday afternoon, 69-44. Marks made were unusual for so early in the season and indicate that both schools have some good track material.

Harold Stephan and Henry Spoo were outstanding for Palatine as they won five first places, the only ones the Pirates captured. Spoo broke the school record in the discus with an unusual toss of 137 feet 11 1/2 inches and also won the shot with a putt of 42 feet 2 inches. Stephan scored 18 points with first in the broad jump, 220, and low hurdles and a second in the 100 yard dash. Stephan's broad jump of 20 feet 4 inches was one of the really fine marks of the meet. He had two jumps in excess of 20 feet. Encouraging to future Palatine prospects was the five foot five mark of Dick Steinbrink in the high jump in winning second and the good half mile run by Wayne Ellis, a sophomore, in his first track competition.

Jazwiec and Jones of Libertyville each took two first places but Haseaman who won the high hurdles and took seconds in the 440, low hurdles and 220 was the Wildcats' high point scorer with 15 1/2 including the relay. Jones' 5:02.5 mile and Ledbetter's five foot six high jump were Libertyville's best marks.

**SUMMARY:**  
100 yard dash: won by Jazwiec (L); Stephan (P); 2nd: Kendzie (P); 3rd: Ellis (L).  
220 yard dash: won by Stephan (P); Haseaman (L); 2nd: Bollerand (L).  
440 yard dash: won by Jazwiec (L); Haseaman (L); 2nd: Newport (P); 3rd: time 56.2.  
800 yard run: won by Jones (L); Ellis (P); 2nd: Mercer (L); 3rd: time 2:17.6.  
1600 yard run: won by Jones (L); Johnson (L); 2nd: Ury (P); 3rd: time 5:02.5.  
3200 yard high hurdles: won by Haseaman (L); Schroeder (L); 2nd: Orzolek (P); 3rd: time 11:1.  
1600 yard low hurdles: won by Stephan (P); Haseaman (L); 2nd: Board (L); 3rd: time 12.8.  
800 yard relay: won by Libertyville (Haseaman, Schroeder, Bollerand, Jazwiec); 1:40.8.  
Shot: won by Spoo (P); Becker (L); 2nd: Bormell (L); 3rd: Dist. 42 ft. 2 in.  
Discus: won by Spoo (P); Bormell (L); 2nd: Becker (L); 3rd: Dist. 137 ft. 11 1/2 in.  
Broad jump: won by Stephan (P); Loeber (P); 2nd: Orzolek (L); 3rd: Dist. 39 ft. 11 in.  
High jump: won by Ledbetter (L); Steinbrink (P); 2nd: Orzolek (P); 3rd: Dist. 6 ft. 6 in.  
Pole vault: won by Dickinson (L); Didier (L); tied: Hestrup (P); 3rd: Dist. 9 ft. 6 in.

## Daily News travel show at Stevens

Chicago's original travel show, the Daily News International Travel Exposition, will be presented at the Stevens Hotel, April 10 through 15. Travel exhibits and information will cover every corner of the earth. Almost 100 exhibitors plus virtually continuous showing of travel movies will enable the would be traveler and vacationist to pictorially view the world's playgrounds. Entertainment at the exposition will star Phil Baker and his new all-star variety show featuring comedians Benny Baker, Shaw and Lee; the Sensationalists, roller skating trio; Ken Harvey, electric banjoist; the Four Step Brothers, acrobatic dancing team; and "Cec" Davidson and his ten piece orchestra. The revue will be presented twice daily at 2:30 p.m. and 8:30 p.m. Ten thousand dollars in free vacations and prizes will be given away in contests conducted at the exposition. The exposition will be open each day from 11:00 to 10:30 p.m. Admission will be 74 cents for adults and 25 cents for children. Proceeds will go to the Daily News Veterans Fund. Admission to the movies is included in the ticket price.

## Ever-anxious bluegill is panfisher's delight

Among anglers who pursue the sport of panfishing, the unanimous choice, for both scrap and downright good eating, is the bluegill. Just as the largemouth black bass is appropriately called the king of American gamefishes, the bluegill certainly rates as the prince of panfishes. Nearly every angler fondly recalls barefoot boyhood days when a jaunt to the "o' fishin hole" seldom failed to produce a dandy string of bluegills. Co-operation seems to be the characteristic of this piscatorial ban-tamweight.

Be it a bent pin with a piece of sandwich meat, dangling from wrapping string tied to the finger of a youngster, or the accurately placed dry fly — the bluegill shows no preference in personalities. When on the feed, and this is most of the time, the bluegill will take a bite of anything remotely resembling food. For a session of utmost fishing enjoyment, with delicious eating the reward for a heavy creel, no panfish sport surpasses that which can be had with a light fly rod, once the bluegills are located. They seem to school readily, strike vigorously and

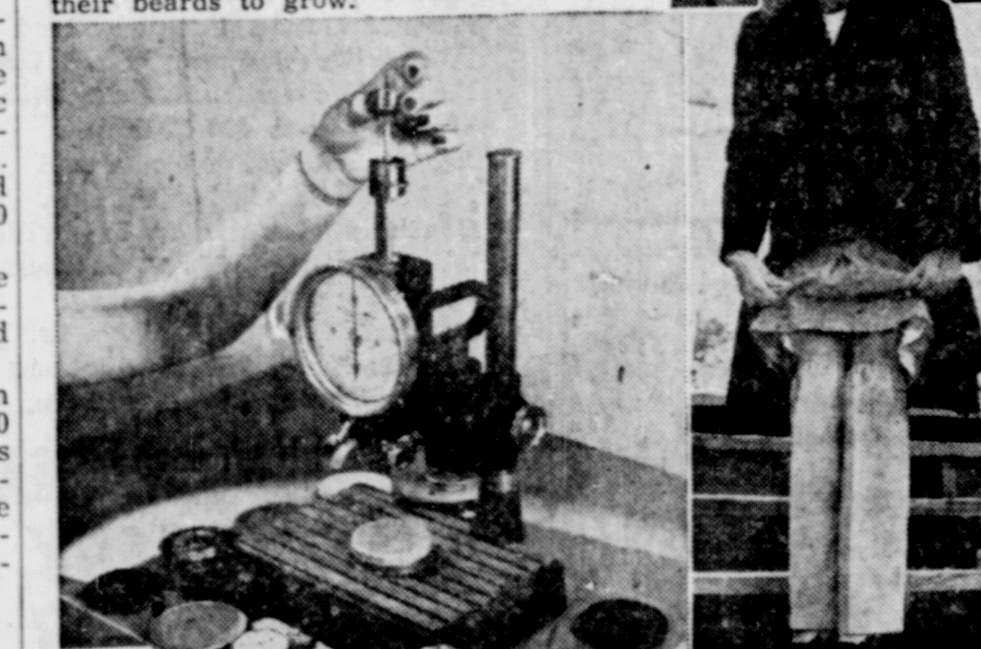

## Turk Olympic entries want 10 eggs a day

Turkish wrestlers training for the summer Olympics in London eat ten eggs a day apiece for breakfast. That builds up stamina, they say. The British are lucky to get two eggs a week. But the Turks have written Stanley George Briault, housing and catering chief of the Olympics, asking him to see about those ten eggs per man for the wrestling team. Briault has a lot of problems like this to solve. His job is to feed and house athletes of 55 nations competing in the forthcoming summer games. Mexico's team wants to bring in its own brand of cigarettes, duty free. Others want their own wine. The government departments are working on these ticklers.

## Central States News Views

**SHORT SKIRTS OR LONG BEARDS**—Male students at U. of Kansas object to "new look" and voice their protests by allowing their beards to grow.

**KEEPS 'EM ON THEIR TOES**—Sewing isn't the only thing women do with a needle. "Needle" is given daily at American Can Company research laboratories, Maywood, Ill., to samples of wax and sealing compounds for paper containers and tin cans. This is one of numerous quality control tests made with a pentameter to keep raw material suppliers on their toes.

## Bison trackmen to oppose Palatine next Tuesday

Bensenville track squad opposes Palatine Tuesday, April 3, in their first dual of the season, then take on Leyden, there, Thursday, and climax the week with the DuPage county meet at Hinsdale Saturday, April 17. The Bison track prospects are not too good this year with few lettermen back. Performing in the Oak Park Relays this past Saturday, several of the boys competed, but failed to score. Pittman tossed the shot 41'11" for a good mark, but 48' failed to rank fifth in the tough competition, the winning toss passing the 54' mark. Gaspar ran the low hurdles, while R. Kurz, Vuglar, Gaspar and Siek carried the Bensenville colors in the sprint middle relay.

## Card golfers open play at Waukegan Monday

Card golfers have just about a complete schedule of matches for the year, according to Coach Curtis Larsen, with use of two local country clubs for practice and contests "in the bag." Elmer Wicksham of Old Orchard has consented to the use of his course for high school players Monday and Thursday. Coach Larsen had previously received the o. k. from Mt. Prospect country club for use of their greens another two days a week, so local hopefuls will have plenty of opportunity for practice.

## Clothes for Farmers

Last year farmers in the United States spent an average of \$270 each on clothing for themselves and families, twice the amount spent in 1941.

## Eight Eyed Spiders

Most spiders have eight eyes arranged in rows across the head.

## Circus to open next week at Stadium

It's circus time again; the usually staid Chicago Stadium, which most people associate with the thud of boxing gloves, the grace and rhythm of Sonja Henie, the bruising body checks of hockey and the speed of basketball, belongs to the kids for 17 days beginning April 16 when the circus comes to town. The title of the huge affair is the 16th edition of the Barnes Bros. Circus which from April 16 to May 2 will have full command at the huge west side arena.

Headlining the new circus will be Captain Terrell M. Jacobs, the world's foremost trainer of wild animals and Aida, the star in the moon. Aida will execute a death defying toe catch while circling through the air at dazzling heights. The Human Projectiles will also be on hand to demonstrate their courage in serving as human ammunition. "Happy" Kellems and a host of other clowns will combine with tumblers, acrobats, tight rope and tight wire artists, to bring the total cast to over 700 people. There'll be over 90 acts which will make it the largest circus ever assembled and presented by the Chicago Stadium. There are two performances daily, a matinee at 2:30 and an evening show at 8:30 p.m.

**Making Wyn Floor Wax**  
A good homemade floor wax can be prepared by melting one-fourth pound of beeswax and a pound of paraffin and adding one-fourth pint of linseed oil and one and one-fourth pints of turpentine. Stir the mixture vigorously. Unfinished wood will be darkened somewhat by absorption of linseed oil in this wax.

## Glenbard needs runners for track squad

No one has watched for the coming of spring more eagerly than George Dekan, former Wheaton high school track and football star, who began his debut Saturday as coach of Glenbard's track team when his boys ran in the Oak Park relays. Tight lettermen are on hand and although they have not had the benefit of indoor training, Dekan is optimistic about their possibilities.

For instance, big brawny Kenton Peters, who threw the shot 43 feet last year, is expected to do better and Bob Biermann, a pole vaulter, may be one of the best vaulters in the state. He cleared 11 feet, 7 inches, last year in his top showing. Stanford Dunning, another letter winner, will be on hand to help out.

Bog's brother, Chuck Biermann is counted on in the discus. With a few exceptions, Dekan's big problem is to develop runners. He has Don Vandervort and Bill Fay to run the 440 and Bob Rothrock to run the 220. Winnie Shaw is a better than average hurdler but distance runners will have to be found to balance the squad.

Dekan hopes to find the answer for his difficulties among 45 eager candidates who are out for the squad.

**The schedule:**  
April 13—Wheaton, there  
April 17—County Meet, Hinsdale  
April 20—LaGrange, there  
April 24—Wheaton relays  
April 30—Frosh-soph Invitational, Riverside  
May 1—Mooschetter relays  
May 4—Little Four meet  
May 7—District Meet, West Aurora  
May 11—Hinsdale, here  
May 15—State meet, Champaign  
May 18—Wheaton, here  
May 21—York, there  
May 25—Conference meet, Riverside

## Arlington frosh runners at Palatine

Arlington high school freshmen track squad will open its season Thursday afternoon of this week when they journey to the Pirating yearlings' field for the opening meet of a busy season for both schools.

The varsity will travel to Niles for a dual meet Wednesday, April 14. The frosh will oppose Niles there the following day.

**Weight of Clothing**  
Women's clothing averages 2 1/2 pounds while that of the average man will weigh 8 1/2 pounds.

**Variety of Minerals**  
There are at least 70 varieties of minerals in the Dominican Republic.

## Locals to take on Woodstock 'here or there'

Arlington Heights high school baseball squad is slated to take on their first opponents this Friday afternoon when the local squad plays host to Woodstock. Weather experts, however, are betting that the Cards will change the location to the Woodstock diamond for better playing conditions.

Another hope of Coach Grace is that the new uniforms for the boys will arrive in time for the first Northeast conference game.

With Bill Robinson slated to do headline pitching for the Cards, Chuck Johnson, Ron Obermann and Ray Huffman are fighting for the assistant's spot.

**CATCHING** will probably be handled by Bob Strigrow and Lew Draper, with Bill Siest and Paul Mueller also sure to do some backstopping for the varsity in early contests.

"Lefty" Engkeling is a sure-fire bet at first, while Coach Grace has a capable shortstop

## NE baseball

**Friday, April 9**  
Niles at Warren.  
Woodstock at Arlington.  
**Tuesday, April 13**  
Arlington at Niles.  
Leyden at Woodstock.  
**Friday, April 16**  
Niles at Leyden.  
Warren at Arlington.

in Vic Heimsoth, out for his first year of competition on the diamond. Returning letterman Bill Lancelotti, assisted by Fred Bista, will cover the hot sack for Arlington, while Mary Berschet will perform in right field.

**MANY** of the reserves will see action with the varsity in the first few games, then will probably be moved back to the junior-varsity.

In addition to the conference games, the Cards have scheduled two varsity games with Barrington. They travel to the Lake county diamond April 20, then play host May 18.

**A COMPLETE** schedule of eight games have been carded for the Arlington Jayvee baseball nine, with Maine to play here April 22. The junior Cards then travel to Barrington April 26.

**Remaining games:**  
April 29, Niles, here.  
May 7, Niles, there.  
May 10, Evanston, there.  
May 17, Evanston, here.  
May 21, Maine, there.  
May 24, Barrington, here.

**FROSH** have two contests on the record to date, with at least two more games to be carded. They include Niles, here, April 20, and there, May 11.

After Friday's contest against Woodstock the varsity men travel to Niles Tuesday, April 13, and play host to Warren next week, Friday, April 16.

## SUES FOR COLLISION

Ormel and Ruth Prust have sued Gunnar Swanson in the Superior court for damages for an automobile accident Feb. 11 in Palatine. It is charged Swanson was driving on the wrong side of the road at a curve on Northwest highway and caused a collision. Ruth who was driving was injured and asks \$5,000 damages. Ormel asks \$1,000 damages for injury to his car.

pendent Republican Clubs who have no political motive in  
endorsing Nuveen other than PATRIOTISM and PUBLIC INTEREST.

Vernon W. Reich, candidate for re-election for State Representative in the 7th District has been praised for the fine record he had made at the last session of the Legislature. It was pointed out that a first term is considerably confused by the activities in both houses and many embryo law makers are not able to acclimate themselves until the session of six months is practically over.

Representative Reich went to work immediately acquainting himself with the inner workings of law making and with his customary aggressiveness introduced many important bills. Most important among those are:

HB-158—Provides for a series of dams in the Desplaines river to maintain a high water level in summer.

HB-766—Provides for continuation of express bus service to suburbs.

HB-64—Memorializes those veterans who fell in World War II.

HB-523 — Increases teachers' pensions.

HB-650 through 656—Corrects divorce laws.

HB-760 — Prohibits misleading advertising in gasoline retail sales.

HB-542—Provides for licensing and registration by municipalities of house to house canvassers.

Reich's Navy background had much to do with his success in the State Legislature, for during his tenure in the Navy he took a course in "Government" at Columbia university preparatory to leaving for the Southwest Pacific. From this he learned about the complications of good and bad government and this education came in very handy to him when he went to Springfield.

Since being honorably discharged from the Navy in 1946, Mr. Reich has been very active in veteran activities. He is a member of Forest Park Post 414, The American Legion and Forest Park Veterans of Foreign Wars. He obtained for Forest Park the first vet housing project, is very active in the Thank-a-Yank organization at Vaughan hospital, and supported all legislation that tended to aid veterans in Illinois.

Further evidence of his qualifications and abilities lies in the fact that as mayor of Forest Park (a position from which he resigned to enlist in the Navy and was elected to after his return) he has participated in the meetings of the heads of the 85 villages in his district and is thoroughly acquainted with the problems of each and every one of them. As Representative of the 7th District he can immediately recognize legislation that would be detrimental to the interest of towns in his district. He like wise is in a position to favor laws that would aid these many villages.

His only promise to the voters of his district is that if they send him back to the Legislature by casting a vote for him in the primary on next Tuesday, he will carry on where he left off, seeking to pass good laws for his constituents.—Adv.

Do You Suffer Distress From 'periodic' **FEMALE WEAKNESS**

and also want to **BUILD UP RED BLOOD?**

If female functional periodic disturbances make you suffer pain and weak, nervous, restless jittery feelings—at such times—then try Lydia E. Pinkham's TABLETS to relieve such symptoms!

Taken regularly—Pinkham's Tablets help build up resistance against such distress.

Pinkham's Tablets are also one of the greatest blood iron tonics you can buy to help build up red blood to give more strength and energy for girls and women troubled with simple anemia. A pleasant stomachic tonic, too! Just see if you don't remarkably benefit! Any drugstore.

## Libertyville says no to increased tax rate

That Libertyville voters want fewer services from the village was noted Saturday when the residents of that village said no to an increase in the tax levy from .119 to 3 per cent. The village expects a deficit the end of this fiscal year, with a resultant slash in civic services, in case the referendum did not pass.

In other referendums the village repealed the band tax, which will eliminate the summer band concerts of past years, and said yes on an additional \$10,000 as final payment on the fire station.

## Republican Primary Tuesday, April 13

Vote for **KNIGHT** REPUBLICAN STATE CENTRAL COMMITTEEMAN

The future of the Republican party depends on young men and women doing their share of party service and leadership.

**AUGUSTUS KNIGHT, JR.**, active in Republican work and civic affairs, six-year Navy veteran, Chicago businessman and life-long resident of the 13th District, will give able representation on the State Central Committee.

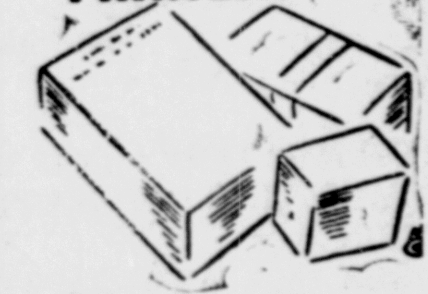

"GUS" KNIGHT will bring into party activity the younger men and women—particularly veterans—whose efforts are needed for Republican success now and in the years ahead.

**Sentinels of Health**

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The set of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.

## 4-H and rural youth plan tree planting

4-H and Rural Youth members from 25 counties of north and north-central Illinois will spend Saturday, April 10 planting trees at their Camp Shaw-waw-nas-see. This camp is located north of Kankakee on state route 113N.

This is the second annual tree planting ceremony at Camp Shaw-waw-nas-see to be sponsored by the 4-H and rural youth. This year the young people will plant shade trees and also will complete the wind-break of pine trees which they started last year. These young trees are purchased by the 4-H and rural youth of the participating counties and they convene April 10 to actually plant the trees. They are planted according to the landscape plan for the camp which is under the direction of Professor H. W. Gilbert, Landscape Gardening Extension of the University of Illinois and Professor L. B. Culver, Forestry Extension.

THE TREE planting work will start at 10:00 at the camp April 10 according to the committee in charge, consisting of: G. Wayne Churchill, Will County Farm Adviser; Mrs. Alice G. Herron, Kendall County Home Adviser and Mr. V. J. Banter, Stephenson County Farm Adviser.

At 1:00 there will be a short program with talks by Dr. J. N. Spaeth, Head of the Forestry Department of the University of Illinois; representatives from the state 4-H staff, the state 4-H camp committee, the Northern Illinois Public Service Company, an outstanding 4-H member and a rural youth member.

Camp Shaw-waw-nas-see is part of the Illinois State 4-H camping program. This camping site was presented to the 4-H and rural youth of northern Illinois by the Northern Illinois Public Service. It is located along Rock Creek north of Kankakee in Kankakee County. It has been used for 4-H and rural youth camps for the past two years and will continue with its expansion.

**Ralph Church seeks re-election for 13th congressional district**

After President Truman's message to Congress April 2, the first comment on the floor of the House on the Presidential veto of tax reduction measures came from Congressman Ralph E. Church (Rep.—Ill.).

President Truman's veto of the third tax relief bill needed by our people is wholly without jurisdiction. He wants to continue reckless government spending both at home and abroad," Church asserted.

Church pointed out that by continuing to oppose a reduction in the cost of government and continuing to oppose tax relief for the American people, President Truman is following a policy that would ultimately stagnate our whole economy and bankrupt the nation.

"A strong economy is an essential factor for a proper national defense," Church continued. "He apparently is more interested in the people of Europe than in the American people themselves."

Church is one of four Republicans seeking election as Congressman from the 13th Illinois Congressional district in the April 13 primaries.

In the present Congress, Church is a member of the appropriations committee.

tensive camping program again this summer. The tree planting marks the beginning of the permanent improvements which are being planned for the camp.

## Announce examinations for West Point and Annapolis

More than the usual number of applications for appointment to the U. S. Naval and Military academies are being received by Congressman Ralph E. Church, which indicate the desire of the young men to be of service to their country should a serious international situation develop in the future.

Congressman Church announced today from Washington that he will hold his annual U. S. Civil Service competitive examinations for appointments to West Point and Annapolis in July 1948, although the definite date has not yet been set by the Civil Service Commission.

All candidates must be of sound physical health and good moral character, and must be not less than 17 nor more than 21 years of age on April 1, 1949. Letters of application to take the competitive examination should be addressed to Congressman Ralph E. Church, House of Representatives, Washington, D. C.

### Uses of Straw

Straw, our most important crop residue, now is going into wider industrial use. In recent years there has been a particularly noticeable expansion in use of processed straw, mostly for making cigarette papers, straw board and for producing high quality writing paper. In other countries it is used to make brick, thatching roofs, as a substitute for twine and for making mats, bags and wearing apparel, for fuel and for many other household uses.

# These Critical Times Demand Experienced Leadership

Keep Congressman **RALPH E. CHURCH** in Congress

... YOU NEED HIM! ...

1. He is already an EXPERIENCED AND SOUND leader IN Congress.

Now on vitally important APPROPRIATIONS COMMITTEE and SENATE-HOUSE JOINT COMMITTEE ON LEGISLATIVE BUDGET, aggressive fighting to reduce gov't. spending, taxes and debt, and for fullest production and employment as bulwarks against inflation.

Six years on NAVAL AFFAIRS COMMITTEE—Pioneered in National Defense:

Urged air supremacy and production inland, opened Great Lakes Station 1935 and Glenview Air Base. Lt. Comdr. USNR 1938-41. Two sons in World War II.

Now urging strong air invincibility.

Has served also on the following Committees: EXPENDITURES IN THE EXECUTIVE DEPARTMENTS.

MERCHANT MARINE AND FISHERIES.

INSULAR AFFAIRS.

WAR CLAIMS.

ELECTIONS.

PATENTS, and

REVISION OF LAWS.

Chosen by fellow Congressmen for Republican Whip Organization.

2. His "SENIORITY" in Congress, committee assignments, experience and influence are highest assets to this District. Thus Congressman Church can—and does—get things done.

On his record of Efficient Public Service in State Legislature and Six Terms in United States Congress

LISTEN TO CONGRESSMAN CHURCH ON WMAQ AT 10:15 P. M. SUNDAY, APRIL 11, ON "WASHINGTON REPORT"

## All should vote at Tuesday primaries

Governor Dwight H. Green has issued an appeal to all citizens of Illinois to vote in the state's primary election Tuesday, April 13.

"The primary election this year has become unusually important because of the turmoil and chaos prevailing in many

sections of the world and threatening the peace of all nations," the Governor said.

"It is in our April primary that the delegates from Illinois to the national party conventions will be chosen. It will be the task of these delegates to name the candidates for president. From these candidates the voters next November will choose the men to guide our country through the critical times ahead. All eligible persons should vote

for delegates of the party of their own choice."

**New Egg Weights**  
New specifications and weight classes for eggs, as issued by the U. S. department of agriculture, make 27 ounces the minimum net weight for the "extra large" class. This is a one-ounce increase over previous classifications and brings the weight within most state requirements.

## Politically Speaking . . .

### Container Corporation President Endorses James H. Douglas, Jr.

Wesley M. Dixon, Lake Forest, Republican and president of the Container Corporation of America, has taken the chairmanship of a committee to promote the candidacy of James H. Douglas, Jr., for delegate to the Republican national convention.

Regarding Douglas, Mr. Dixon said: "We like his record as a Republican, as an attorney, as a veteran of World Wars I and II, Chief of Staff, Army Air Forces Air Transport Command, as a public servant, assistant secretary of the treasury under Hoover, vice chairman Illinois Public Aid Commission under Governor Green, and for his activity in civic affairs, past president Chicago Council of Boy Scouts of America, chairman Public Affairs committee Chicago association of commerce, trustee University of Chicago.

"Douglas is not committed to any candidate. He will work well with the Illinois delegation. He recognizes that choosing a candidate is a task to be undertaken on a team basis. He has the kind of judgment and convictions that we want in our delegate."

Included on the committee among others are: Miss Ruth Hynes and Professor James Washington Bell of Evanston, Mrs. Edward B. Hall and Holden K. Farrar of Winnetka, Hayes MacFarland and Frank R. Mitchell of Barrington, E. Douglas Schwantes of Glenview, Herbert A. Friedlich of Highland Park, and R. Douglas Stuart, Edward K. Welles and Charles F. Clarke of Lake Forest.

### Nuveen leads in Evanston poll

As the hotly contested campaign for Republican nomination for Congress neared a close this week, one fact stood out in bold relief. All sides conceded the 13th District, including the North Shore, northwest Cook County townships, and Lake County, will roll up a huge vote on April 13.

John Nuveen, Jr., whose vigorous campaign has been waged against a backdrop of generous newspaper advertising throughout the district, has disclosed surprising strength. He will be a strong contender.

An indication of Nuveen's strength was revealed in a poll taken Thursday night (April 9) at an Evanston "town meeting" sponsored by the Evanston Young Republican club and the Evanston Young Republican club.

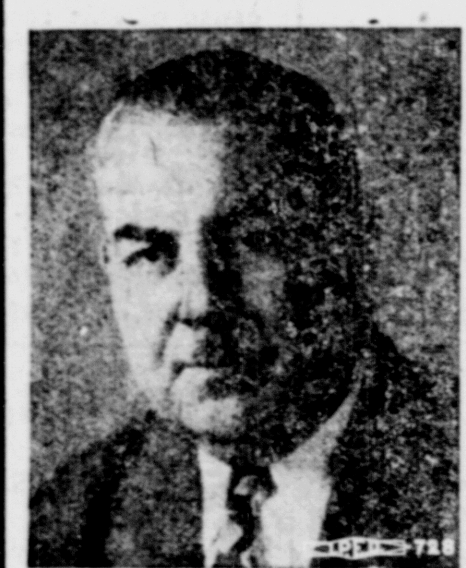

More than 500 attended and candidates for all offices in which there is a Republican contest were invited to speak.

Three candidates for Congressional nomination spoke. Rep. Church wired a statement reviewing his record but saying his duties required his presence in Washington.

At the close of the speeches a poll of 229 persons who cast ballots resulted as follows:

Church 27  
Day 3  
Whitehead 36  
Nuveen 163  
Robert Ticken, of Libertyville, chairman of Nuveen's campaign, asserted that polls taken at random places in the district sup-

### Your Vote Is Solicited For

**Jos. M. Cooke**  
(HARVEY, ILL.)

Candidate for  
Republican Nomination for  
**State Representative**  
Seventh Senatorial District

A war veteran with broad experience in veterans' affairs.

A newspaperman with extensive civic organization background.

An outstanding public speaker on Americanism.

An active worker in the Republican party for more than 25 years.

Vote in the Republican  
Primary on April 13

### Wynkoop expects nomination for representative

Winding up an aggressive campaign throughout the large and thickly populated 7th Senatorial District, Harold W. Wynkoop, Republican candidate for Representative to the General Assembly, has received gratifying reassurance from his many earnest workers that he can expect to be nominated by the voters in Tuesday's primary.

Believing that participation in government is that most important civilian privilege in the Republic, Mr. Wynkoop has conducted his campaign on the simple premise that the first freedom is the freedom of choice, and that the real purpose of a primary is to permit the full exercise of this basic American right, with a spirited appeal to first voters.

With a large veteran following, and thereby familiar with veteran thinking, Mr. Wynkoop has a broad interest in not only the needs of residents of his own district, but also in the overall objectives of helping to make Illinois first in education, health, housing, opportunity, safety, production and progress, by rekindling civic interest and active participation in community and state affairs.

While a newcomer in the political arena, politics is not new to Mr. Wynkoop who majored in political science and is a recognized student on government and political procedure. Mr. Wynkoop lives in his own home at Des Plaines; he is a member of the American, Illinois, and Chicago Bar Associations. During World War II, he served with the Marine Air Wings, Pacific, U. S. Marine Corps.

### To reform civic orchestra soon

The civic orchestra, made up of musicians from Park Ridge, Des Plaines and the surrounding communities, which was discontinued due to the war, is now being reorganized with an anticipated 100 per cent return of former members.

The directors will be Armand Baker, a talented musician from Park Ridge. He is a graduate of the School of Music, Northwestern university, and after serving in the navy, has done graduate work at the University of Chicago.

ported Nuveen's commanding position in the race.

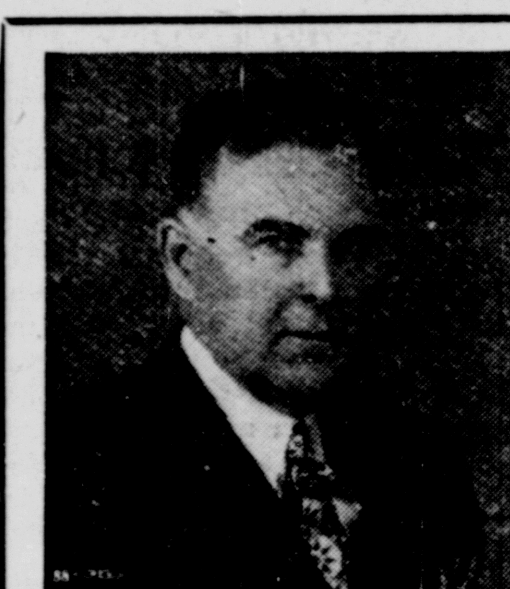

## Knight endorsed by B.G.A. head

Fred W. Blaisdell, executive director of the Better Government Association, today gave his personal endorsement to Augustus Knight Jr., Navy veteran candidate for Republican State Central Committeeman from the new 13th Congressional District.

Extending "my heartiest personal wishes for your success," Mr. Blaisdell wrote the 30-year-old Evanston Young Republican that "we are in the midst of a period when young men are stepping in any taking control. In my judgment your election to this important party post will be of value, not only in your district, but to the entire party organization in Illinois."

### Women and Their Washers

During this postwar period more women than ever are insisting on a washer with a pump. The pump is built-in, operates automatically and saves lifting and exertion as well as time.

**MORTON E. ANDERSON**

Republican Candidate for  
**STATE'S ATTORNEY**  
of Cook County, Illinois  
Solicits Your Vote on  
April 13, 1948

Mr. Anderson, a lawyer associated with the firm of Litsinger, Gatenbey and Spuller spent 17 years in the Criminal Courts of Cook County, eight of which he was Assistant Public Defender of Cook County.

He is a War Veteran, Past Commander of Harold A. Taylor Post No. 47, American Legion; Member of Voiture 220 of the 40 and 8; Chairman for five years of Speaker's Committee, Cook County Council, American Legion; Formerly Adjutant, Chairman of Speaker's and Radio Committees of the G. A. R. Association.

He is 32 degree Mason, member of the Shrine and Past Master of his Lodge.

He is a member of Kiwanis International, being present Treasurer of the Kiwanis Club of Forest Park, Illinois.

Chairman, Public Affairs Committee, Chicago Association of Commerce . . . trustee, University of Chicago.

### To Republican Voters of the 13th Congressional District

At the polls on April 13th you will elect two delegates who will help select the Republican nominee for President of the United States. This will be one of the most important decisions in all history.

After careful consideration of the several candidates for delegate, this committee of citizens of your district urges that you . . .

## VOTE FOR JAMES H. DOUGLAS, JR.

Douglas is unanimously endorsed by the Republican Committee of this Congressional District. Known to stand for American principles and business-like administration, and with practical experience in public affairs, he is highly qualified to represent you at Philadelphia. His single purpose will be to help select as your candidate the nominee who as President will best serve the people of the United States, realistically seeking to advance peace and freedom in the world.

Douglas is not committed to any candidate. He will welcome your views as to candidates and will work effectively with the Illinois delegation.

If you agree that the work of the Convention calls for delegates experienced in business and economics, patriotic, fair and well balanced in judgment, work and vote for James H. Douglas, Jr. and urge your neighbors and friends to vote for him.

Committee for Douglas for Delegate  
Wesley M. Dixon, Chairman

### PARTIAL LIST OF COMMITTEE MEMBERS

## Presenting the younger generation

Robert John Moier (far left), son of Mr. and Mrs. Willard S. Moier, Williams ave., Arlington Heights, is nine and one-half years old and decided several months ago that he wanted to learn to play the guitar.

"He's been taking lessons on the Hawaiian guitar for three months," his mother remarked. Although he certainly isn't conscientious about practice sessions, he takes great pleasure in strumming the guitar for his brother Richard, who is just two years old, and unskilled as yet as a musician.

Bobby, whom his mother suspects acquired the guitar idea from all the cowboy pictures he's been seeing, has brown hair and blue eyes and is in the fourth grade at the St. James school.

The brother and sister in the next picture (second from left) are children of Mr. and Mrs. E. B. Stine, 111 S. Chestnut, Arlington Heights. Ruth Ann is three and has blonde curly hair and blue eyes; her brother, Bruce, who is six and one-half years old, has brown hair and brown eyes and is in the second grade at the South school.

Bruce has a bicycle, as do most of the neighborhood gang, and, although his little sister only

knows how to operate a three-wheeler, she manages to do a pretty good job of following him around when he goes out with his "buddies" after school.

Robert Martin Skallerup (second from right), son of Mr. and Mrs. R. M. Skallerup, 1511 Oakton, Arlington Heights, is the next youngster presented this week.

"Bobby," who was two years old March 21 has sandy brown hair and brown eyes and, according to his mother, is becoming an interesting conversationalist now that he has reached the "sentence" stage. "Bobby" also likes to visit with his grandparents, Mr. and Mrs. Frank Skallerup of Barrington and Mr. and Mrs. Arthur Parker, of Georgetown, Ky.

Russell Perry Kittinger (far right) is the five and one-half year old son of Mr. and Mrs. R. W. Kittinger, E. Rockwell st., Arlington Heights. He has blue eyes and auburn hair and, according to his mother, an inherited talent for motors and machinery, since his father operates a phonograph record manufacturing concern.

Russell and his eight-year-old sister, Sondra Penelope, are pupils at the South school.

## Questions on G. I. bill

Question: Do I have to report to a veterans' hospital each time I have another attack of malaria? It is a lot of bother, but I want to protect my disability claim.

Answer: Veterans afflicted with service-connected malaria are advised to report to a physician every time a relapse of that condition occurs. Recent regulations handed down to the Veterans' Administration provide that a disability rating for malaria will be reduced to zero percent at the end of the year without a physical examination, unless there is a medical evidence to prove that the veteran suffered a relapse or recurrence within the twelve-month period. It is most important that the medical evidence include a blood smear, taken at the time of relapse, whenever possible. Veterans' Administration officials advise. The cost of treatment by a private physician for service-connected malaria may be defrayed by the Veterans' Administration, provided authority for treatment is

granted by the VA at the time it is needed.

Question: I lost my terminal leave bond. How do I go about replacing it?

Answer: The initial inquiry should be addressed to the Chief of the Division of Loans and Currency, U. S. Treasury Department Wash. 25, D. C., giving a full explanation of the circumstances and as complete a description as possible of the bond, including your name, address, serial number, value, date and by what office issued. You will then be sent official application forms for replacement of the lost bond.

Question: I am a recently retired Army Officer, receiving retirement pay. Does that prevent me from filing for readjustment allowance under the G. I. Bill?

Answer: No, so long as you are ready, willing and able to accept suitable work. You are also required to seek work on your own initiative. (Ref: Interpretive Service Letter No. 20, V. A.)

## Vote to raze Park Ridge city hall, but not to have new one

Immediate action to raze the Park Ridge city hall and replace it with a civic plaza was expected to be taken by the city council at a special meeting last week, following the results of a recent referendum.

With 1,542 voters braving the stormy weather, the proposition to issue \$20,000 in bonds to remove the city hall and to erect a plaza over the reservoir and pumping station which underlie it carried by 96 votes, 795 to 699.

The proposal to remodel the Carpenter home as a municipal building at a cost of \$30,000 was rejected by 164 votes, 853 to 689. The results of Saturday's referendum were similar to a recent election in Wilmette, where voters approved erection of a school building, but disapproved the purchase of a site.

It is anticipated that city offices will move into the Carpenter home, as it now stands, as quickly as possible so that the present municipal building can be torn down.

### Fueling Air Liners

The amount of time required for fueling large planes has long been a serious problem affecting airline schedules and capacity of fields at busy major airports, just as it was during the war. A new system has been installed at the San Francisco airport. Under the new system a DC-3 airliner with a fuel capacity of 822 gallons can be filled completely in two minutes.

## Enrolls at college

after 83 years

"You're never too old to learn"—is an age-old maxim. Edward M. Waring of Brooklyn, N. Y., and father of Mrs. Thornton Walbridge, Winchester rd., Libertyville believes it's true. At 83 he has returned to college. Mr. Waring has numerous friends in Libertyville.

The "Brooklyn College Vanguard," student publication, recently published the following concerning the "daddy" of all students:

"Fifty-eight years ago, when he was graduated from Pratt in '90, Mr. Waring laid aside the torches of learning only to pick them up again last semester. Why? "Because," says Mr. Waring, "he who knows most, lives most." And Mr. Waring likes to live.

## 'Galloping Ghost' trolleys retired at Brookfield zoo

A "New Deal" for west suburban commuters began Monday, April 5, when the last of the Chicago West Towns ancient trolleys made their final run before being supplanted by new, modern busses. On that day the 17 street cars which remained on "the LaGrange run" as the last vestige of a once proud trolley system headed into the car barns at Cermak and Harlem for the last time, and 20 new ultra-modern Mack busses took over the route.

Patrons of the Brookfield Zoo will get the new service, as well as Hollywood, Brookfield, Congress Park, and LaGrange.

## York voters to ballot on new road bonds

Voters of the town of York, including Lombard, Villa Park and most of Elmhurst, plus adjacent rural areas, will be asked at a special election Tuesday, April 13, to vote "yes" or "no" on the question: "Shall bonds for road purposes be issued to the amount of \$225,000?"

No further information on the purpose of the proposed bond issue was contained in the notice of election. It was indicated, however, that proceeds of the issue would be used largely in an emergency road building program, outside corporate areas, to remedy in more permanent fashion what was termed a "shocking destruction" inflicted by the deep frost of the recent winter.

### Lower Classes Were Barred

For 200 years during the Middle ages, the lower classes, practically speaking, were not allowed to fight during a war. The one exception were townsmen who agreed to supply military units to the great lords in return for free charters. Most of the fighting was done by armed knights on horseback.

## TAX FACTS

By George E. Mahlin, Executive Secretary  
Taxpayers Federation of Illinois

For the first time in the history of Illinois, the taxpayers can determine just how much they want to spend for local government by using the referendum provisions of House Bill 513. These referendum provisions are permanent.

These referendum provisions make it possible for taxpayers in any community to raise or lower tax rates and control the taxing power of their local governments.

Tax rate limits may be reduced, with no restriction on the amount they can be reduced, by referendum called either by the governing body or by petition of citizens. Rate limits may be increased only by referendum initiated by the governing body. A referendum either to raise or lower a tax rate limit cannot be held more often than once a year (tax attorneys say this means at least 365 days must elapse between such referenda.)

Taxpayers will not have to vote blindly in the future, as in the past, on referenda to increase tax rates with no knowledge of what their votes might cost them.

Taxpayers must be given notice by publication in one or more newspapers of general circulation in the taxing district at least 20 days prior to any such referendum, and the notice must set forth not only the question to be voted on but also an estimate of the approximate amount of money that would be yielded by the proposed tax rate limitation compared to the amount that would be yielded by the

## Figure your own savings in new income tax law

Collector of Internal Revenue John T. Jarecki last week issued an official computation of differences in the income tax to be paid by various size families and incomes under the 1948 law.

It disclosed that percentage reductions varied widely, but apparently were highest at either end of the income scale and lowest in the middle. For example, a family with two children will pay 65 per cent less if their income is \$3,000; 35 per cent if it is \$4,000; and 45 per cent if it is \$10,000.

Following are the figures, based on a \$600 basic exemption for each member of the family and 10 per cent deductions:

Income	Single	Couple	One Child	Two Children
\$ 2,000—'47	\$ 249.00	\$ 154.00	\$ 59.00	none
—'48	199.20	99.60	none	none
\$ 3,000—'47	427.00	327.00	232.00	137.00
—'48	351.36	249.00	149.40	49.80
\$ 3,500—'47	521.00	416.00	318.00	223.00
—'48	438.48	323.70	224.10	124.50
\$ 4,000—'47	615.00	510.00	406.00	308.00
—'48	525.60	398.40	298.80	199.20
\$ 4,500—'47	709.00	604.00	500.00	395.00
—'48	612.72	481.40	373.58	273.90
\$ 5,000—'47	795.00	693.50	589.00	494.50
—'48	699.84	546.20	449.20	343.60
\$ 6,000—'47	1,045.00	921.50	798.00	693.50
—'48	902.24	702.72	597.60	498.00
\$ 7,000—'47	1,292.00	1,168.50	1,045.00	921.50
—'48	1,108.16	876.96	760.80	618.89
\$ 8,000—'47	1,577.00	1,434.50	1,292.00	1,168.50
—'48	1,335.20	1,051.20	935.04	818.89
\$10,000—'47	2,185.00	2,023.50	1,862.00	1,719.50
—'48	1,824.48	1,399.68	1,293.52	1,167.36

existing tax rate limit.

The ballot itself must show not only the proposed tax rate limit but also the existing tax rate limit. And, on the ballot form but not as a part of the ballot proper, must be shown an estimate of the approximate amount of money that would be yielded by the proposed rate limit compared to the amount yielded by the existing rate limit.

In other words, the taxpayer can see on the ballot just what he is paying and what he will be called upon to pay.

Every downstate local government subject to the tax rate limitations of House Bill 513 was subject to more stringent tax rate limitations in 1945 prior to the passage of the 100 per cent assessment laws. Although H. B. 513 makes it possible for local governments to get more money generally in 1947 than they could have had if the 100 per cent assessment program had not been passed, passage of this H. B. 513 by the General Assembly has deprived local governments of the tremendous increase in taxing power that they in many cases abused in 1946, and has restored protection to the taxpayers against similar abuses in 1947 and later years. Local governments that were unduly restricted by the more stringent tax rate limitations prior to the passage of the 100 per cent assessment laws had to go to the people at an election for authority to increase the tax rate. Under the more liberal limitations of H. B. 513, the local governments still has that power to ask for a tax rate referendum provisions have been clarified and simplified.

Every property owner in downstate Illinois owes a debt of

gratitude to the members of the General Assembly for restoring protection against excessive taxing power that was abused in so many instances in 1946, and for giving the power to the people, where it belongs, to raise or lower tax rates and control the taxing power of their local governments on the basis of need.

## Spray gun army girds for war

Check those spray guns! Limber up those arms!

It's now "open season" on the insect fifth columnists that bore from within and without and wreck such havoc among the nation's shade trees and ornamental plants.

To get the jump on these public enemies, dormant spraying offers a good start toward insect and disease control, according to M. W. Staples, field supervisor of the Davey Tree Expert Co. Dormant sprays—those applied before leaves and flowers make their appearance—are effective weapons primarily against the scale insects and a few others that can best be controlled before they emerge. Some of the fungus disease yield to early sprays, too. To wait until later in the season when these troubles have become well established, makes effective control difficult or altogether impossible.

**DORMANT**, delayed dormant and leaf sprays follow each other with bewildering rapidity for the control of scale, spruce gall aphids, pine shoot moth, apple scab, anthracnose, leaf spots, canker worm, elm leaf beetle, Japanese beetle and hungry hordes of other leaf-eating and leaf-sucking insects that start when the first bud opens and retire when the last leaf has fallen. "Fortunately," says Mr. Staples, "nature applies checks on many of these troubles. And often it is feasible to combine two or more chemicals into one spray. For many of the common leaf eaters, one or two sprays per year will give satisfactory results. On the other hand, red spiders and aphids are amazingly prolific and may require repeated applications to keep them within bounds."

"The same thing may be said about some of the fungus diseases. Control measures will vary from one to a dozen treatments depending upon the disease, the host, the weather and the degree of protection required."

**Color of Flour Remains**  
Addition of thiamine, niacin, riboflavin and iron does not materially change the color or flavor of white flour, according to the Georgia agricultural extension service.

### Park Ridge pastor to study chaplain activities overseas

By order of the Secretary of the Army, the Rev. Paul Mehl, pastor of St. Andrew's Lutheran church, Park Ridge, was this week authorized and invited to participate in a study of chaplain activities overseas. On emergency leave of absence from his present duties, pastor Mehl left Tuesday, April 6 for Washington, D. C. where on Thursday he began an air journey to the Orient which will cover more than 25,000 miles.

Travel will be entirely by army aircraft and will take the group first to Tokyo. After studying the situation in Japan, the committee will return home by way of Korea, the Philippine islands, Guam and Hawaii "for the purpose of consultation with chaplains there."

# Tiffany, Thomas in new actuarial firm

Carl A. Tiffany and B. Russell Thomas have formed a partnership to engage in consulting actuarial practice, with offices in Chicago. The firm name is Tiffany and Thomas.

Mr. Tiffany has been actuary of the Illinois department since 1944 and has been active in the work of the National Assn. of Insurance Commissioners as a member of the blanks committee and the Hooker committee.

The Thomases live at 776 S. Dunton ave., Arlington Heights.

The Thomases spent the summer of 1941 in Arlington Heights with Mrs. Tiffany's mother, Mrs. Howard Helm while Mr. Tiffany was working in Chicago.

Mr. Thomas for the past year has been associate actuary in the pension department of Marsh & McLennan in Chicago. The preceding year he was actuary of the North Carolina department. As a lieutenant in the naval re-

serve, he was on active duty 33 months during the last war. He was with the Iowa department from 1935 to 1943, first as an examiner and later as actuary and second deputy commissioner. He was formerly in the actuarial department of Central Life of Iowa. He is a graduate of the University of Iowa actuarial course and is an associate member of Actuarial Society of America and American Institute of Actuaries.

The firm will have the office at 211 West Wacker Drive, now occupied by Walter C. Green, consulting actuary. Mr. Green will assist the new firm but will spend a portion of his time in consulting work in Phoenix, Arizona.

## Chicago religious plan legal despite Champaign ruling

Legal reasons why the "Chicago plan" for religious education is valid despite a recent decision of the U.S. supreme court holding the "Champaign plan" unconstitutional were given this week in an opinion by Richard S. Folsom, attorney for the Chicago board of education.

Under the Chicago plan, children from sixth and seventh grades are allowed to leave classes for an hour at 2 p. m. on Wednesdays to attend religious classes in various churches. Parents submit a written request, which must be signed by the superintendent's office.

After the superintendent's office approves the requests, the matter is in the hands of individual principals. It is estimated that 25,000 children are released each week to attend religious classes.

According to Folsom, there are "vital differences" between the two plans.

"For example, under the Champaign plan, classes were conducted in regular classrooms of school buildings and students who did not choose to leave their classrooms and go some place for pursuit of their secular studies.

"A faith or group had to get permission for free and equal use of rooms in the public school buildings from the superintendent and religious teachers were subject to approval of the superintendent.

"None of these elements exist in the Chicago plan."

The Chicago plan, adopted by the board of education in 1929, was challenged in the state courts in 1946, although it did not reach the U. S. Supreme court.

Folsom declared that the court decision held that "the voluntary program which permitted the superintendent to excuse school children, at the request of their parents, for religious education at places outside school activities or property, did not violate American principle of separating church and state and did not violate the first or fourteenth amendments."

Folsom's opinion further pointed out that the Supreme court did not try to lay down any rule governing school boards throughout the country, the majority of justices stating:

"We do not consider school programs not before us which, though colloquially characterized as 'released time', present situations differing in aspects that may well be constitutionally crucial."

"For the reasons outlined," Folsom's opinion concluded, "unless the judgment of the Supreme court of Illinois, which held the Chicago plan valid, is reversed, such decision is the law with regard to the Chicago plan."

Mrs. Vashti McCollum, plaintiff in the Champaign case, has conferred with the Chicago Action council, which financed her appeal, immediately after the new decision. It was announced a suit to test the Chicago system was being considered.

## Modern Etiquette

by Roberta Lee

Q. What would be the minimum tip for a porter for carrying one's bag?

A. Ten cents is the minimum tip for one bag. If there are several heavy bags, however, and they are carried quite a distance, the tip should be more.

Q. When at the table, how should one remove a seed, a bone, or some foreign substance from the mouth?

A. Drop it into the cupped Q. Is it all right to say "Pleased to meet you" when being introduced to someone?

A. No. If one feels disposed to use an equivalent expression, say, "I am very glad to meet you."

Q. When calling on a friend, should a guest smoke without being invited to do so?

A. No. The guest should either ask permission or await an invitation to smoke. A hospitable host or hostess will usually suggest it.

Q. Where should the carving knife and fork be placed on the dinner table?

A. The knife should be placed at the right of the meat platter, the fork at the left.

Q. When meeting on the street, should the man or the woman give the first sign of recognition?

A. The woman.

Q. Would it be permissible to answer a formal invitation informally?

A. No. A formal invitation in the third person should be answered in the same way.

Q. If a girl is carrying a great many packages and meets a man of her acquaintance on the street, who offers to carry them, should she give all of them to him?

A. If there are many packages, give him only the larger and heavier ones. If only two or three packages, let him carry all of them.

Q. If one drops a napkin or a piece of silver when dining in a public place, what should one do?

A. Quietly call the waiter's attention to it; he will pick it up and replace it with another.

## Another first: new chief clerk for county is a woman!

The first woman to be selected as a chief clerk in any Cook county office was appointed last week by County Assessor John S. Clark.

Mrs. Mary Austin Quincannon of Chicago, was named chief clerk to replace the position left vacant by the death of John Bates, who died February 18.

The new appointee has served in the assessor's office since 1927 and was time keeper until her promotion.

Assessor Clark said the appointment was made purely on the basis of ability. Mrs. Quincannon, a comely brunette, explained she joined the county employees at the age of 20, working at first for the superintendent of public services.

She was loaned to the assessor's office in 1927, and was never "returned."

## Flooded residents demand resignations of city officials

Not since that fateful July 4, 1938, when the old Des Plaines river overflowed its banks and ran rampant, have Des Plaines residents seen such flooded conditions as those that have existed last week. Residents from the area stormed the city hall and stated their stand on this flooding of basements. One citizen went so far as to demand that the mayor and city council resign.

As a result of this indignation meeting the city has installed two additional large pumps in the area to pump out the sewers so that the water will run out of the basements in the area.

## Milk payments

According to figures received from Bowman Dairy company Cook-DuPage county dairy farmers received \$19,919.11 for milk delivered to this organization during March. These figures were released by Glenn W. Johnson, Bowman's supervisor of producer relations.

## Here are tips on spring cleaning

Spring housecleaning doesn't mean only cleaning up and redecorating the house! While there is much that can and should be done to clean up the premises about the house, there is also much that should be done to clean up the farmyard, observes Farm Adviser C. A. Hughes.

"If every farm family would conduct a spring clean-up campaign—inside and out—it would go a long way toward eliminating fire and accident hazards, providing a more healthful environment and conserving food that is much needed the world over," the adviser said.

"Among farm families alone about 3,500 lives are lost and 100 million dollars worth of farm property is destroyed each year by fires. In other words, about 10 farm people die every day in farm fires. Four farm buildings are destroyed by fire every hour. About 90 percent of our farm fires are caused by carelessness. And carelessness means leaving debris and trash around to create a fire hazard.

Mr. Hughes said that a general clean-up would also help to get rid of rats where they are a nuisance. Much grain could be saved if rats could be controlled. These pests destroy or damage 200 million bushels of grain each year. If all of this grain were wheat, it would be enough to supply one pound of bread to 36 million people every day for a year. One rat will destroy \$20 worth of food, feed and property a year.

"Spring clean-up" paves the way for better living by providing more healthful conditions, conserves food and other resources by eliminating fire hazards and rat "hotels," and prevents accidents by taking care of necessary repairs," the adviser concluded.

## Electricity on Farms

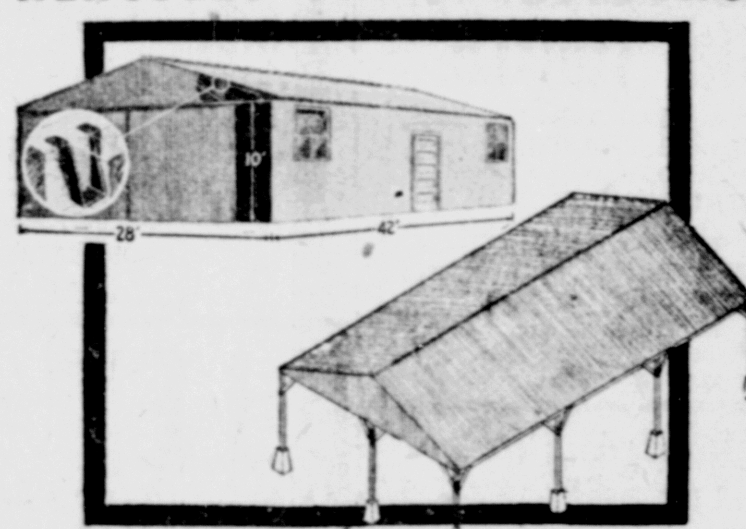

About three million United States farms now have electrical service, but only 800,000 could have lights by turning on a switch in 1930.

## LAW on the FARM

Hatcheries, Poultry Flocks and Live Poultry Dealers. In 1933 the Illinois legislature provided that "the Department of Agriculture may formulate plans and rules for the inspection, culling and supervision of hatcheries and poultry flocks supplying eggs for hatching, for the purpose of promoting the health of poultry, increasing production, bringing about breed improvement and classifying hatcheries and poultry flocks supplying eggs for hatching, in accordance with the condition thereof as ascertained by such inspection in matters of health, standard breed characteristics, and such other matters

relating thereto as the department may prescribe." It is provided, however, that this act shall apply only to those flock owners or hatcheries choosing to operate under regulations of the State Department of Agriculture—that is, the program is voluntary.

IT IS a misdemeanor, punishable by fine or imprisonment or both, for a hatchery or flock owner to falsely represent that he is operating under this act. Likewise, it is a misdemeanor for one who elects to operate under regulations of the department to violate them.

Similar in purpose to this law and for the additional purpose of helping to identify stolen poultry is an act of 1929 providing that "any identification mark or brand for poultry which is tattooed, branded, or otherwise permanently imprinted on the body of the fowl may be registered with the State Department of Agriculture upon the payment of a fee of \$1."

LIVE POULTRY dealers in Illinois are required to have a license, to display it in their place of business or on their truck and to keep records of all purchases of live poultry, as specified in the law.

These laws are administered by the State Department of Agriculture, Springfield. They are in the Illinois Revised Statutes, Sections 127-133.

## German Pain Killer

Amidone, a new drug, is from two to four times as potent a pain-killer as morphine. It was first made during World War II by the Germans. In 1945 an investigating army medical corps team brought some back to the United States. Chemists, pharmacologists and scientists started marking and studying it. Amidone, like demerol, is not derived from opium, but is habit-forming just the same.

## Bus of Tomorrow

Plans for future motor buses contemplate air-conditioning, individual radios, snack bars, rest rooms, stewardess service, two-way radio communication, announcer system and non-frosting windows.

## Baganz trio at Park Ridge April 18

Entertainment which is unique and inspiring will be brought to Park Ridge when the celebrated Baganz Trio presents its concert Sunday evening, April 18, at St. Andrew's church.

This ensemble, consisting of harp, marimba, vibraphone, and chimes, has proved to be a most excellent combination, offering in its blend of unusual instruments a musical treat which is unforgettably novel. In their 14 years of existence they have given more than 3,000 concerts on tours extending over twenty states. Featuring Lutheran chorals and Christian hymns, they offer a program so arranged that

## NOW YOU CAN MAKE THE DRINKING WATER SAFER FOR YOUR BABY CHICKS AND POULTS...

It's FUNJOL that does it! FUNJOL destroys germs of fowl cholera, pullorum, and the fungus Monilia Albicans in 5 to 10 minutes, IN THE WATER!

Scrubbing and scouring won't keep the water clean. Chickens pollute it as they drink.

Give your chicks this extra protection! All it takes is a teaspoonful of liquid FUNJOL to a quart of water, in any kind of fountain. FUNJOL keeps the water drinkable for hours longer. Makes the fountains easier to clean.

**FUNJOL**  
Use this amazing new drinking water antiseptic from the very start, for your baby chicks and poult. Get a bottle today. 8-oz. 75c; Pint \$1.25; Quart \$2. Come in and take a bottle with you.

**MIDWAY Farms & Hatchery**  
On Rte. 53, mid-way bet. Rte. 14 and Dundee Rd.  
Phone Palatine 417-W-2  
Open evens. to 9 except Mon. & Thurs. to 6; Sun. 10 a. m. to 4 p. m.

it is appreciated by all audiences not only for its delightful enjoyment but also as real spiritual edification.

ALVIN A. POPP ARLINGTON HTS. "POPP'S FEEDS"

## Spring end of sugar beets to get mechanization

Saginaw, Mich.—Greatest effort in sugar beet history will be made this year to bring spring mechanization to the beet fields, says the Sugar Beet Journal.

Main dependence will be placed on finger-type weeders, or comparable implements, with salt sprays and mechanical blockers to be used as auxiliary methods. Seeding rates of not less than four pounds of segmented seed per acre are urged for farmers planning to use mechanical stand reducers.

The recommended procedure where stands are sufficiently heavy.

1. Use of a weeder to kill and reduce stands. If once over is not enough, repeated use at intervals of three or four days.

2. Then, if stand has been reduced to the point desired, which is an average of 120 beets per 100 feet of row, and susceptible weeds still are present, spraying at the rate of 100 gallons of water and 200 pounds of salt per acre. Weeds that can be controlled by salt spray are smartweed, ragweed, wild mustard and rough pigweed. Lambs' quarter is not affected.

3. But, if weeds have been eliminated and too many beets are left after finger-weeding, mechanical blocking can be used.

Farmers are advised to work with the sugar company fieldman on mechanical spring work. Frequent spot checks of the stand must be made to make certain sufficient beets are being left.

## Vote April 13, IAA president urges farmers

Farmers were urged today by President Charles B. Shuman of the Illinois Agricultural Association to speak their minds at the ballot box in the primaries, April 13 by voting in accordance with their best judgment.

"Newspaper reports," Shuman said, "say the rural vote will be light April 13. Farmers cannot expect to be given adequate representation in Springfield or Washington unless they support the men who are interested in the welfare of agriculture."

"Voting in the primary is the most important job farmers have on April 13," Shuman said. "The hour or two required for the trip to the polling place will be time well spent. America is one of the few remaining countries where people are free to cast a ballot. Don't neglect your right to vote."

## To return 71% of war dead to U. S.

To date, 71 per cent of the Gold Star families contacted in Illinois have indicated their desire to have their war dead brought back to their homeland. Thus over 15,000 of Illinois fallen dead will be returned through the Chicago Distribution Center in the next two years.

Not an Aristocrat  
Broccoli is no longer the aristocratic, high-priced luxury food of a few years ago. It is rich in vitamin A, calcium and iron, these food values being found especially in the leaves but also present in the buds and stems. Cooked in an open pan long enough to get the stems tender, broccoli is an appetizing dish.

## Electric Appliances Returning To Market In Greater Quantity

By IRA MILLER  
Farm Electrification Bureau

Good old Santa will be more electrical appliance minded this year than at any Christmas since the war. And for good reason. Many of the smaller appliances, perennial favorites with scores of Yuletide shoppers, now are available in sufficient quantities to meet post-war demands.

However, the bewhiskered gentleman again this year will be handing out a number of gift certificates to those who want, but will have to wait for, such major appliances as

Smaller appliances, which should find their way easily under many Christmas trees this year, include electric flat irons, radiant heaters, heating pads, coffee grinders, drink mixers, coffee makers and shavers of the vibrating reed type. Automatic toasters, also, are becoming increasingly available. Popular, but harder to get appliances, include such motor-driven items as food mixers, convection type heaters and electric fans. Motors, sorry to say, are still on the short supply list.

Among the newest, most accepta-

FOR THE FARMWIFE'S SAKE—electrical convenience picture becomes brighter.

electric ranges, water heaters and refrigerators. Although output of these appliances hit new highs early this year, established "brand name" manufacturers have been unable to achieve their planned production during the last six months because of a shortage of steel and component parts. Consequently, dealers continue to receive them on a quota basis.

But many of the newer major appliances, including freezers, ironing machines, clothes driers, dishwashers and disposal units, can be purchased without difficulty in most farm trading areas. Electric roasters, too, are obtainable in many stores, although one may have to shop a bit.

ble and generally available products to be offered Christmas buyers this year are electrically heated bed coverings, such as electric sheets, blankets, comforters and mattress pads. They are of particular interest to occupants of small apartments and houses, in which storage space is at a premium. Because one type of electric bed covering takes the place of many comparable, old-fashioned articles, it no longer becomes necessary to keep "mountains" of bulky, woolen blankets in single, typically under-sized closets for household use—and for the comfort of those occasional unexpected overnight guests.

## Illinois farm telephones rate higher than nation

The percentage of Illinois farms with telephone service is now 30 per cent greater than the national average, W. C. Lathen, manager for the Illinois Bell Telephone company, announced today.

Seventy-two per cent of Illinois farms now have telephone service, Lathen said, compared with 42 per cent for all U. S. farms. These are the highest percentages in history for both Illinois and the nation.

These estimates based on figures available at the first of this year, show about a ten per cent increase in the number of farms with telephones since the beginning of 1945. At that time, 61 per cent of the farms in Illinois and 32 per cent of U. S. farms had telephone service.

More than 12,700 telephones were added in rural Illinois last year, Lathen said. Illinois Bell's announced goal of placing 21,000 additional rural telephones in service during the three year period, 1946-1948, was topped by about 2,500 in 1947 — a full year ahead of schedule.

Improvements in existing rural telephone service were also made during 1947, according to Lathen. About 10,000 crank-type telephones in Illinois Bell territory were replaced with modern "lift-the-receiver" instruments. More than 2,100 rural phones were changed from manual to dial operation and the ringing

arrangements for about 4,600 rural subscribers were improved. During the last two years, new rural lines have been built at the fastest rate in history — enough by the Bell companies of stretch twice around the world.

The Bell system added 309,000 telephones in rural areas last year, bringing telephone service to farm regions at the rate of about 1,000 families every working day of the year. The Bell companies have increased the number of rural telephones in service by 700,000 since V-J day.

Rural expansion programs are also under way in areas served by independently-owned telephone companies whose lines connect with those of the Bell System.

### Uses of Soybeans

Contrary to general impressions that the bulk of soybean production in this country reaches the consumer in paints and plastics, recent surveys show that actually less than 5 per cent of the annual production of soybean oil is so used. Ninety-five per cent of the oil goes to consumers as food in one form or another. Soybean oil is used in making shortening, salad dressing, margarine and other foods.

## Farrowing time critical stage for hogs-to-be

Farrowing time is the most critical period in swine production because it's estimated that every pig farrowed dead costs the grower 140 pounds of wasted feed.

Farm Adviser C. A. Hughes suggests having the brood sows in good condition as farrowing time approaches and then giving new pigs a chance by providing good care and facilities, then carefully feeding and controlling parasites and infectious diseases.

RECORDS SHOW that about one-third of the pigs farrowed each year fail to reach marketing age and that about 14 per cent of all hog feed is wasted because of pig deaths.

"In view of this startling information, it is important to provide the best of care for young pigs when they are farrowed," Mr. Hughes said. "Too much feed is wasted when a single pig is lost."

THE SOW and litter should have a clean, comfortable farrowing house. It should be scrubbed with boiling lye water and disinfected with a cresol solution before the sow is moved in. When dry, it should be bedded lightly with a good absorbent, such as straw, leaves or sawdust.

A guard rail or fender will be helpful in preventing the sow from crushing the pigs, Mr. Hughes said. It can be made of timbers, two-by-fours or larger, placed 8 inches from the floor and projecting 8 to 10 inches from the wall. In cold weather some type of artificial heat will be needed.

## Farm Bureau leaders meet in Springfield

Appointment of a committee of 20 farmers, representing every section of the state, to study and recommend improvements in the administration of Illinois rural roads was announced by President Charles B. Shuman of the Illinois Agricultural Association.

Shuman made the announcement at the annual spring Farm Bureau leaders meeting which attracted 1,500 farm leaders to the state capital, April 1.

The IAA president said the committee was set up because of growing dissatisfaction among Illinois farmers with the deplorable condition of country roads. He pointed out that only 50 per cent of the farmers in Illinois are on all-weather roads.

The committee will study the entire administrative, financial, and operational setup of Illinois rural roads, survey the road systems of neighboring states, hear experts on road finance and engineering, and finally will make recommendations that action be taken on a definite program of improvement.

### Making a Rainbow

In creating a rainbow droplets of rain act as prisms, splitting sunlight into its color components of the spectrum.

## Lesson in English

### WORDS OFTEN MISUSED

Do not say, "They served several kind of pies." Say, "They served several **kinds** of pies."  
Do not say, "Here is a third alternative." **Alternative** means a choice of only **two** things.  
Do not say, "He is going to go to college." Say, "He is going to college."

### to college.

Do not say, "I would like to see you." It is better to say, "I **should** like to see you."  
Do not say, "She performed on the piano." Say, "She **played** the piano."  
Do not say, "The abbreviation of Kentucky is Ky." Say, "The abbreviation for Kentucky."

### WORDS OFTEN MISPRONOUNCED

Ennui. Pronounce an-we, a as in ah, e as in we, accent first syllable.  
Halcyon. Pronounce hal-si-un, a as in at, i as in it, u as in run, accent first syllable.  
Forehead. Pronounce for-ed, o as in on.

Brochure (a pamphlet). Pronounce bro-shur, o as in obey, unstressed, u as in use, accent second syllable.

Demonstrative. Pronounce demon-strai-tiv, with accent on second syllable, and not dem-on-strai-tiv, with accent on first syllable.

Profuse. Pronounce the s as in loose, not as in lose.

### WORDS OFTEN MISPELLED

Maintain (verb) **tain**. Maintenance (noun); ten. Blameable; retain the first e. Excusable; drop the first e. Pray (to entreat). Prey (to raid for booty). Angel (a messenger of God). Angle (a corner). Intelligible; three i's and three l's. Surprise; is; not ize as in prize.

### WORD STUDY

"Use a word three times and it is yours." Let us increase our vocabulary by mastering one word each day. Words for this lesson:

**PROFUSELY**; bountifully. "Nothing is given so profusely as advice."—La Rochefoucauld.

**LUDICROUS**; adapted to excite laughter; ridiculous. "I was in a ludicrous predicament."

**PINNACLE**; the summit, or highest point, of anything. "In gaining all we want, we have only reached a pinnacle where we have nothing to hope and everything to fear."—Colton.

**SANGUINE**; disposed to be hopeful; anticipating the best; as, "sanguine of success."

**MUNDANE**; pertaining to the world; worldly; earthly. "The mundane sphere." "Mundane affairs."

**COMMENDATION**; praise. "The censure of those that are opposed to us, is the nicest commendation that can be given us."—St. Evremont.

## Civil service examinations

The Board of U. S. Civil Service Examiners, National Advisory Committee for Aeronautics, is accepting applications for an engineer examination for filling positions paying \$3,397 to \$5,905 a year at Langley Field, Va. The branches of engineering covered by the examination are aeronautical, architectural, construction, electrical, mechanical, and structural.

Full information and application forms may be secured from the Commission's local secretary, Francis S. Hall, located at Arlington Heights and from Civil Service regional offices, or from the U. S. Civil Service Commission, Washington 25, D. C. Applications must be filed with the Executive Secretary, Board of U. S. Civil Service Examiners, National Advisory Committee for Aeronautics, Langley Field, Virginia, and will be accepted until further notice. However, persons who wish to be considered for positions which are to be filled immediately should file their applications not later than April 28, 1948.

## Change of address forms for veterans

Official forms are now provided by the Service Recognition board for those Illinois veterans who have a change of address, thus insuring prompt payments and avoiding unnecessary delays. Correspondence, needless checking and delays are eliminated by the new procedure. Official forms are necessary because the board will not consider a letter or postcard as official notification.

Forms for change of address are available in all of the offices of the Illinois Veterans commission. Service officers can assist veterans in executing the forms properly and will supply the notarization required by the board. In Cook county, the Illinois Veterans commission service officer is Walter S. Haynes. The office is located at 41 So. Prospect ave., Park Ridge, Ill.

### Size of Bible

The word "Bible," from the Latin, means a collection of many books. There are 1,189 chapters in the King James version of the Bible, which has 773,692 words and 3,566,480 letters. The word "and" can be found in the Bible more than 46,000 times.

## THE DOCTOR'S NOTEBOOK

By DR. CHARLES H. KRAMER

Recently a patient posed a thought-provoking question: "Why don't you medical men keep your patients better informed on important medical topics? Why, this measles epidemic was three weeks along before we heard about the new serum. True, Janie didn't have a severe case, but we were certainly glad we could protect Bobby—he's only eleven months old and still recuperating from a bad cold. If we had known ahead of time we would have saved us a great deal of anxiety."

Thus **THE DOCTOR'S NOTEBOOK** evolved. I hope the need voiced by this observant critic can be filled. Suggestions and ideas for subject matter, criticism, questions, etc., will be much appreciated.

A letter from **BLUE CROSS** urges M. D.'s and patients to avoid a misunderstanding which has arisen in the past. Hospital admission for diagnosis or observation alone is not covered by the Plan. However, diagnostic procedures such as x-rays, metabolism tests, etc., which are a necessary part of the hospital stay are covered. Doctors may be required to answer: "Was hospitalization necessary for the proper treatment of this patient?"

A series of **26 EDUCATIONAL RADIO BROADCASTS** have been inaugurated by the American Medical Association. These entertaining and informational dramatizations of current trends in medicine are featured at 3:00 Saturday afternoon over WMAQ (NBC). Coming topics:

April 10—Public Health Nursing.  
April 17—The Public Wants a Doctor.  
May 1—Child Guidance.  
May 8—Human Brucellosis.

Every family with children should have a **RECTAL THERMOMETER** and a parent who can work the darn thing! A child under five cannot hold a thermometer in his mouth without danger of breakage, and armpit temps are inaccurate. When a doctor gets three or four calls from anxious parents it is only fair that he sees the sickest child first—and the temperature is one good index of how ill a child is. The average rectal temperature is 99.6 degrees. Most doctors feel that more than three degrees above normal is a high fever.

A leaflet **"IF YOUR CHILD STUTTERS"** may be obtained by writing the Speech Information Bureau, National Hospital for Speech Disorders, 61 Irving Place, New York 3.

The problem of **MARGARINE VS. BUTTER** has been studied by workers at the University of Illinois College of Medicine. They conclude that "children experience normal growth in height and weight when their diets contain only fortified margarine as table fat as shown by comparison with children fed similar diets with butter as the source of table fat." A gratifying sense of fair play was exhibited by the National Association of Margarine Manufacturers who granted money for the research; the findings were to be published regardless of the results.

The first **COLD VACCINE** has been announced (present vaccines only protect against secondary germs causing bronchitis, sinusitis, etc.) When this vaccine is perfected and on the market we will have an answer for the ubiquitous cynic who never fails to chortle, "When are you guys going to do something about the common cold?"

## THE MAILMAN'S CORNER

by Leland Ellis Truxell

We've got the spring itch at our house already. In fact, it is fast developing into a rash, and as soon as the sun is a little higher we'll be after turning the grub worms over, while a few early robins eye us speculatively as much as to say "you poor humans! Out here digging up worms by the dozen, and you haven't brains enough to eat them. Oh well, your dumbness is our gain!"

Yes sir, came the first of January and I couldn't make out whether I had married a woman or a seed catalogue. Every time I looked in the wife's direction, all I could see was a pair of hands and a picture of gorgeous tomatoes or apples where her face should have been.

My garden tools have already had their spring tune up. I was looking at the snow which covers our garden plot the other day, and my hands fairly itched to dig the warm, moist sun-drenched earth that would soon be showing—to feel its spongy cool moistness, to see it, newly cultivated, waiting for the loving touch of my hands.

Planting seeds seems like creating new life, as I place them carefully, and reverently cover them and pat the earth over them. You can feel the great warm spirit of Mother Nature beginning to coddle her eager children into life and growth. In the cool quietness of early morning, when the noisy rumble of traffic is stilled and a cool breeze caresses your cheek, cares are forgotten and it seems as though you need only look up from your work to see God standing there watching, waiting to pass his benediction, "Well done, thou good and faithful servant!"

You don't think then of the fight you have before you. The hours you'll spend spraying, pumping away at a thousand million uniformed soldiers marching down the stems and leaves, fiercely engaged in destroying the lovely plants which you have given such tender, loving care, and feeling that they are eating a part of you—a part you gave generously, hopefully, willingly.

But how gallantly you stand to your guns! How bitterly you hate these heartless invaders,

seeking to lay waste your land! There is no quarter given on either side. It is a fight that challenges the best that is in you until the first bitter chill of frost puts an end to it all.

Ah, you can lose yourself in a garden! Lose all your cares, all the heartaches, every bitter, selfish thought you harbor in your heart. You live, and hope, and dream as the wholesome goodness of nature surges upward from the soil. And when a bountiful harvest comes, you can gloat reverently, thankfully over your wealth of vegetables full of

the life and strength and health that only Mother Nature has generated into the roots and leaves of your vegetables, fresh from the rich earth.

## Rainy Weather is Duck Soup to the UNIVERSAL Jeep

"LET IT RAIN IF IT MUST!" That is what you will say if a Universal "Jeep" is at work on your farm. Just put on the top and get on the job. With the steady traction of its 4-wheel drive the "Jeep" just keeps on pulling, in spite of soft ground or slippery footing. You don't have to worry about 'impassable' roads. Four-wheel drive takes the "Jeep" through, helps you with spring towing and hauling jobs that must be done.

GET A "JEEP" AND GET GOING

There are plenty of jobs the "Jeep" can do on your farm right now. When field tasks are completed or road work is done, your "Jeep" need not stand idle. Its power take-off delivers up to 30 h.p., operates many kinds of implements and farm machinery, helps make the "Jeep" America's most versatile farm tool.

Used Jeeps

## Bits O' business

Retail department store sales in New York City for four weeks ending March 20 fell four per cent below a corresponding period last year. More than half the new industrial plants built since the war are in cities with populations under 100,000. Industrial decentralization is spreading mostly to the west and south, with California getting the most new plants and Texas the largest dollar volume of new factory construction. With pre-Easter sales of women's suits and coats disappointing, most retailers are beginning early promotion of short coats. New small businesses are playing an increasingly important role in our economy. More than 95 per cent of the 1,200,000 firms established since V-J Day have fewer than eight employees. A cut of about five per cent in shoe production may be in order to gear output to consumer requirements.

## DO YOU KNOW—

That the canary (named after the Canary Islands) was first introduced into England in the latter part of the 15th or early in the 16th century. In the wild state the plumage is dull greenish in color, streaked with darker shades.
